Dear Neighborhood Matching Grant Committee:

Please accept this letter as verification of the partnership among the Madison Park Home Owners Association, Charlotte-Mecklenburg Schools (CMS) and Pinewood Elementary School. The property where Madison Central Park will be located is the former site of the Old Pinewood Elementary School and is owned by CMS. The use of the former school site will be primarily be used by New Pinewood Elementary during school hours and the Madison Park neighborhood after-school hours and on weekends. The enhancement and development of this site will benefit both the populations of Pinewood Elementary and Madison Park Neighborhood. These features are intended to improve the quality of life for both demographics. Pinewood students will benefit from the green open play fields, a disc golf course, a walking trail and student gardens. All of these elements promote wellness and encourage a healthy lifestyle. We are pleased to endorse the Madison Park Home Owners Association's Neighborhood Matching grant application.

Sincerely,
