

IT'S ELECTION TIME!

Yearly elections will be held February 11 for all officer and board members and alternates.

Please consider volunteering for a position. Officers include president, vice president, secretary, treasurer, and city liaison. In addition there are 7 board members and 3 alternates. Only 4 scheduled meetings are held a year and special board meetings are rare.

Interested candidates must be members in good standing (dues paid), can self-nominate, be nominated by a member in good standing, be nominated as an individual or on a slate (selected group of individuals). Nominations can be made at the upcoming General Membership meeting on February 11 or e-mail current secretary Raymond Cox at raygrecofl@bellsouth.net.

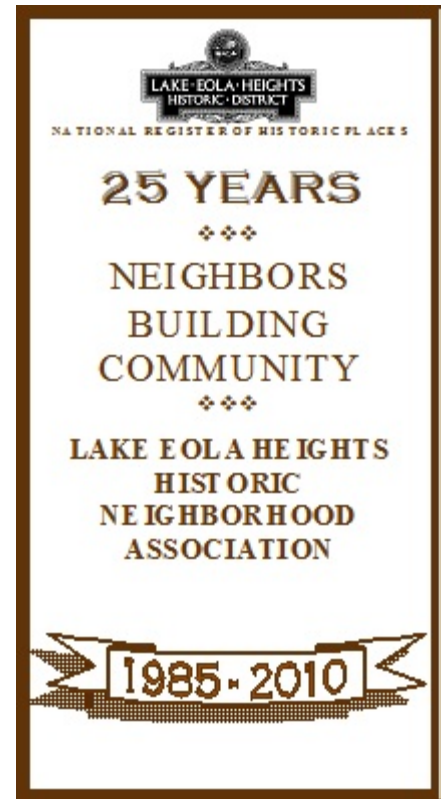

PRESIDENT'S MESSAGE

for the future. We will keep what works and see what new ideas emerge. Our Silver Jubilee Celebration with us to honor the past and prepare for the future.

And finally, come join all of us in congratulating the LEHHNA Volunteer of the Year. This year's recipient will be getting well-deserved recognition for a great deal of hard work on behalf of the neighborhood. Thanks to this individual, we have one of the very finest neighborhoods in which to live, play and grow a family.

See you at the next meeting!

LLOYD ANDERSON PASSES

Neighbor Lloyd Anderson passed on January 25. He was 93.

Mr. Anderson was an active resident of the Whisperwood condos on Amelia Street. He was involved with LEHHNA causes over the years, a regular participant in the neighborhood-wide yard sales and block parties, always made sure the condos were well cared for and decorated them for holidays.

He was a father, friend and neighbor and will be missed.

HELP KEEP OUR NEIGHBORHOOD SAFE!

By Anne Culp

Please do not park your car across a sidewalk. Park on the street or far enough up the driveway so that you do not block any portion of the sidewalk.

We need the sidewalk for neighbors in wheelchairs, baby strollers, joggers and walkers.

We need to walk safely through the neighborhood without walking out into the street. Children will run out in the street in a split second if a car is in their way as they run down the street to see a friend. We don't want anyone hurt.

So, please remember not to park on the sidewalk or across the sidewalk. This is against the law. If you see a violation of this city statute (Article V. Section 39.16), please call the police (321-235-5300). The police have told us they welcome the phone call; they want to keep our neighborhood safe.
