## SIGNS OF THE TIMES

By Raymond Cox

LEHHNA has turned 25 and you may have noticed the "birthday" signs on a few gateway plaque lampposts celebrating our Silver Jubilee. At the first quarter general membership meeting, a budget was set for four banners. After meeting with city officials, it was learned that banners are permitted only under very strict guidelines and they recommended a metal sign. This suggestion resulted in the signs attached to the gateway lamp posts at Summerlin and both Robinson and Hillcrest, Livingston and both Mills and Highland and Amelia at both Ruth and Mills, a net increase of 2 signs at a slight savings

Six of the 13 gateway lampposts are now dressed, leaving seven available for posting. We are soliciting sponsors a sign at our cost, \$50, in exchange for receiving the sign at year's end. Three of the seven locations already have been pledged. If you are interested, contact Diane Martens at [dmartens1@cfl.rr.com](mailto:dmartens1@cfl.rr.com) or bring a check to the up-coming general membership meeting on May 13.

center, such as no drinking or drug use, and if these established guidelines are ignored evictions may occur.

Individual and group counseling, parent support groups and children's support groups are scheduled on a regular basis at the WRCC. Victim advocates are on site to assist victims of domestic violence with safety plans and crisis counseling as well as emergency housing that is in addition to the transitional housing program. Through continuous guidance, support and strength building, the residents at the WRCC gain confidence in themselves and their abilities to live independently and productively.

Thank you again, neighbors, and if you would like to help some more call me at 407-841-8831 and I'll be happy to share the WRCC's wish list with you.
