229 E. Amelia St.
Orlando, FL 32801-1303

NEIGHBORHOOD WATCH: STAMPING OUT CRIME

By Tracey Jacobs, NW Coordinator

Our 3rd Annual National Night Out was another success with over 170 neighbors, city officials, and local business partners! Our theme, "Making Stamping Out Crime Our Priority," won first place in the city's contest.

This event would not be possible without Broadway United Methodist Church and our dedicated committee members: Cheryl Blanc, Cindy & Edwin White, Dave Grobleski, Diane & David Martens, Janet Walker, Katie Bray, Marcy Shively, Meram Alassil, Monique Mason, Rick Stout, Terry Boggs, and Val Mobley.

Thanks to our local supporters: Armstrong Lock & Security, Broadway United Methodist Women, CayCakes Bakery, Dandelion Communita Café, DJ Boxicle Jenkins, Insomnia Cookies, SOUL Ranch, Frank Weber, RF Photography, St. James Cathedral School, Trinity Lutheran Church. And a special gratitude to Walker Miller Equipment Co. for the light tower and Ralph and Gisela Briscoe for the use of electricity from their home.

There has never been a better time to join Neighborhood Watch. It's easy to participate ... if you see something, say something by calling 9-1-1. Remember to let them know you are a member of LEHHNA's Neighborhood Watch. Send an email to eolawatch@gmail.com if you would like to join us.

RECYCLING: IF IN DOUBT, LEAVE IT OUT

By Martha Morris

Did you know that when a truck full of recycling contains too high a percentage of inappropriate items, the whole truckload is sent to landfill? To avoid this, follow the Orange County Solid Waste Disposal guidelines.

Above all else, include no plastic bags, whether empty or full. The equipment for sorting the materials becomes jammed by plastic sacks.

Other items to avoid: styrofoam, pizza boxes, gift wrap and ribbons, little bits of paper or cardboard; appliances and electronics; hard plastic items such as toys and laundry baskets and long items such as hoses.

Do not include batteries or other hazardous waste.

Here's what can be recycled:

- newspapers, magazines, junk mail;
 - flattened corrugated cardboard boxes;
 - flattened cracker or cereal boxes (remove the bag inside)
 - empty glass jars and empty cans, without the lids;
 - empty plastic bottles and containers with triangles container any number from 1 through 5; no lids
- Water-saving hint: when you hand-wash dishes, use leftover water to rinse the food containers so that they are relatively clean when you put them in the bin.
