## ARTICLE II PROPERTY RIGHTS

Section 1. Owner's Easement of Access and Enjoyment. Every Owner shall have an easement of access and a right and easement of enjoyment in and to the Common Area

and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association to charge a reasonable admission and other fees for the use of any recreational facilities situated on the Common Area;

(b) The right of the Association to suspend a Member's voting rights and right to use the recreational and other facilities owned or operated by the Association, excluding domestic water, for any period during which any easement against his Lot or any other sum due the Association by him remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations; and

(c) The right of the Association, subject to the approval of at least two-thirds (2/3) of the Owners and prior approval of the Federal Housing Administration or the Veterans Administration so long as there is a Class B Membership, to mortgage, dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purpose and subject to such conditions as may be determined by the Association.

Section 2. Delegation of Use. Any Owner may delegate in accordance with the Bylaws of the Association, his right or enjoyment to the Common Area and facilities to members of his family, his tenants, or contract purchasers who reside on the Lot owned by him. The Declarant, for each Lot owned within the Subdivision, hereby covenants, and each Owner of any Lot, by acceptance of a Deed therefor, whether it shall be express in the Deed or the evidence of the conveyance, is deemed to covenant that any lease executed on a Lot shall be in writing and contain provisions binding any lessee thereunder to the terms of this Declaration of Covenants, Conditions and Restrictions and any rules and regulations published by the Association applicable to the Common Area and further providing that noncompliance with the terms of the lease shall be a default thereunder.

### ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Organization. The Association is organized as a nonprofit corporation under the laws of the State of Texas. The principal purposes of the Association are the collection, expenditure and management of the maintenance funds, enforcement of the Declaration, providing for the maintenance, preservation, and architectural control (when the powers of the Committee terminate and the Committee's powers vest in the Association) within the Subdivision, the general overall supervision of all of the affairs of the Subdivision and other Subdivisions within its jurisdiction.

1187/0914

Section 2. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in a Lot which is a part of the Subdivision, including contract sellers, shall hold a membership in the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Ownership of a Lot shall be the sole qualification for membership. Any mortgagee or lienholder who acquires title to any Lot which is a part of the Subdivision, through judicial or nonjudicial foreclosure, shall be a Member of the Association.

Section 3. Board of Directors. The Association shall act through a Board of Directors who will manage the affairs of the Association as specified in the Bylaws of the Association.

Section 4. Voting Rights. There shall be two classes of membership entitled to voting rights in the Association with respect to the Subdivision and they shall be as follows:

(a) Class A: All Owners other than Declarant, shall be considered Class A Members, and for each Lot owned shall be entitled to one (1) vote on each matter coming before the Members at any meeting or otherwise, unless their voting rights have been suspended by the Board of Directors as hereinabove provided in Article II, Section 1(b). When a particular Lot is owned by more than one individual or entity, all the individuals or entities holding an ownership interest in that Lot shall be considered Class A Members; however, for that particular Lot they shall be entitled to a total of no more than one vote on each matter coming before the Members at any meeting or otherwise. The vote for such Lot shall be exercised as they among themselves determine.

(b) Class B: Class B Member shall be the Declarant, and for each Lot owned it shall be entitled to three (3) votes on each matter coming before the Members at any meeting or otherwise. Once a Lot is sold to an individual or individuals who would be classified as Class A Members, subject to paragraph (c) below, the three (3) votes attached to that Lot shall be extinguished, subject to paragraph (c) below. All Class B memberships with respect to the Subdivision shall cease and be automatically converted into Class A Memberships on the happening of any of the following events, whichever occurs earlier:

(i) When the total number of votes entitled to be cast by the Class A Members, with respect to the Subdivision, at any meeting of the Members or otherwise equals the total number of votes entitled to be cast by the Class B Member, with respect to the Subdivision; or

1187/0915

(ii) Ten (10) years from the date this Declaration of Covenants, Conditions and Restrictions is filed in the Real Property Records of Guadalupe County, Texas.

(c) Reinstatement of Class B Member. Notwithstanding the prior provisions of paragraph (b) above, if additional land is subject to the jurisdiction of the Association such that the Declarant owns more than 25% of all Lots (including all Lots within the jurisdiction of the Association), then the provisions in the first sentence of paragraph (b) above shall be automatically reinstated ipso facto.

#### ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. The Declarant, for each Lot within the Subdivision which shall be or thereafter become subject to the assessments hereinafter provided for, hereby covenants, and each Owner of any Lot that shall be or thereafter become assessable, by acceptance of a Deed therefor, whether or not it expressed in the Deed or other evidence of the conveyance, is deemed to covenant and agree to pay the Association the following:

- (a) Annual assessments or charges;
- (b) Special assessments for capital improvements; and
- (c) Any other sums to the extent they are specifically provided for elsewhere in this instrument.

Such assessments or charges are to be fixed, established and collected as hereinafter provided. These charges and assessments, together with such interest thereon and cost of collection thereof, as hereinafter provided, shall be a charge on the land and shall be secured by a continuing lien upon the Lot and improvements thereon against which such assessments or charges are made. Each such assessment or charge, together with such interest, costs and reasonable attorneys' fees shall also be and remain the personal obligation of the individual or individuals who owned the particular Lot at the time the assessment or charge became due, notwithstanding any subsequent transfer of title to such Lot. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them.

Section 2. Purposes of Assessments. The assessments accumulated by the Association, insofar as the same may be sufficient, shall be applied toward the payment of all taxes, insurance premiums and repair, maintenance and acquisition expenses incurred by the Association and at the option of the Board of Directors of the Association for any or all of the following purposes: lighting, improving and maintaining streets, alleyways, sidewalks,

1187/0916

paths, parks, parkways, and esplanades in the Subdivision and in other subdivisions within its jurisdiction; payment of management, legal and all other expenses incurred in connection with the collection, enforcement and administration of all assessments and charges and in connection with the enforcement of this Declaration of Covenants, Conditions and Restrictions; employing policemen or watchmen and/or a security service; fogging and furnishing other general insecticide services; providing for the planting and upkeep of trees and shrubbery on esplanades and in the Common Area; acquiring and maintaining any amenities or recreational facilities that are or will be operated in whole or in part for the benefit of the Owners; and doing any other thing necessary or desirable in the opinion of the Board of Directors of the Association to keep and maintain the property in the Subdivision and in other subdivisions within its jurisdiction in neat and good order or which they consider of general benefit to the Owners or occupants of the Subdivision and in other subdivisions within its jurisdiction, including the establishment and maintenance of a reserve for repair, maintenance, taxes, insurance, and other charges as specified herein. Such funds may also be used to repair, maintain and restore abandoned or neglected residences and Lots as hereinafter provided. It being understood that the judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

Section 3. Basis and Maximum Level of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Lot from Declarant to an Owner, the maximum annual assessment shall be One Hundred Fifty Dollars (\$150) per Lot. From and after January 1 of the year immediately following the conveyance of the first Lot from Declarant to an Owner, the maximum annual assessment may be increased by the Board of Directors of the Association, effective January 1 of each year, in conformance with the rise, if any, in the Consumer Price index for all Urban Wage Earners and Clerical Workers, U.S. city average, specified for "All Items" (base year 1967 = 100) published by the Department of Labor, Washington, D.C., for the preceding month of June or alternatively, by an amount equal to the difference between the then current assessment and the projected assessment calculated by increasing the original assessment set forth herein by an amount equal to 10% compounded annually for each year from the date hereof, whichever is greater, without a vote of the Members of the Association. From and after January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, the maximum annual assessment may be increased above that established by the Consumer Price Index formula or the above mentioned percentage increase only by written approval of the Owners of two-thirds (2/3) of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at an amount not in excess of the maximum amount approved by the Owners.

94-150  
95-165  
96-185  
97-196

Section 4. Special Assessments for Capital Improvement. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the

1187/0917

cost of any construction, reconstruction or unexpected repair or replacement of a particular capital improvement located upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the written approval of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice of Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting of the Members of the Association called for the purpose of taking any action authorized under Sections 3 or 4 of this Article shall be sent to all Members and shall be posted at a public place within the Subdivision not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of the Members holding forty percent (40%) of all membership votes entitled to be cast in each membership class or their proxies shall constitute a quorum. If the required quorum is not present, additional meetings may be called subject to the same notice requirements and the required quorum at each subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rates of Assessment. Both annual and special assessments on all Lots, whether or not owned by the Declarant, must be fixed at uniform rates as follows:

(a) Occupied Lots: Those Lots containing an occupied Living Unit (that is, a Living Unit that has been initially occupied, although it may no longer be occupied) shall be assessed the full assessment as set by the Board of Directors of the Association;

(b) Completed Living Unit: Those Lots containing a substantially completed but unoccupied Living Unit (that is, a Living Unit that has not been initially occupied), shall be assessed fifty percent (50%) of the full assessment as set by the Board of Directors of the Association; and

(c) Vacant Lots: Those Lots which are vacant or upon which a residence is under construction shall be assessed at a rate equal to fifty percent (50%) of the full assessment as set by the Board of Directors of the Association. If such Owner fails to maintain said Lot in accordance with the requirements set forth in this Declaration, the Association is hereby authorized to do so and any expense the Association incurs thereby shall become a lien on the Lot and the general personal obligation of said Owner.

The Board of Directors of the Association will determine the classification of the Lots on the first day of January of each year after the first year.

1187/0918

Section 7. Date of Commencement and Determination of Annual Assessment. The annual assessment provided for herein shall commence as to all Lots on a date fixed by the Board of Directors of the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. On or before the 30th day of November in each year, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the annual assessment shall be sent to every Owner whose Lot is subject to the payment thereof. However, the failure by the Board of Directors of the Association to fix an annual assessment for any year will not be deemed a waiver with respect to any of the provisions of this Declaration or a release of liability of any Owner to pay annual assessments, or any installments thereof, for that or any subsequent year. In the event of such failure, each Owner shall continue to pay the annual assessment established for the previous year until the new annual assessment is established. The new annual assessment established by the Board of Directors of the Association shall be applied retroactively to the commencement of the then current assessment year and the deficit shall be paid by each Owner within thirty (30) days after receipt of a statement therefor. Assessments shall be due and payable yearly in advance on the first day of January or as directed by the Board of Directors of the Association. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments or charges which are not paid when due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest from the due date until paid at the maximum rate permitted by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien herein retained against the Lot. Interest, costs and reasonable attorneys' fees incurred in any such action shall be added to the amount of such assessment or charge. In order to secure the payment of the assessments or charges hereby levied, a lien for the benefit of the Association, shall be and is hereby reserved in the Deed from the Declarant to the purchaser of each Lot or portion thereof, which lien shall be enforceable through appropriate judicial and nonjudicial proceedings by the Association. As additional security for payment of the assessments hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants the Association a lien on such Lot which may be foreclosed on by nonjudicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with nonjudicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by

means of a written instrument executed by the President or any Vice President of the Association and filed for record in the Real Property Records of Guadalupe County, Texas. In the event that the Association has determined to nonjudicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the notice of Trustee's Sale not less than twenty-one (21) days prior to the date of which sale is scheduled by posting such notice through the U.S. Postal Service, postage prepaid, registered or certified, return receipt requested, properly addressed to such Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be recorded in the Real Property Records of Guadalupe County, Texas. Out of the proceeds of such sale, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorneys' fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount of default; third, any amounts required by law to be paid before payment to the Owner; and, fourth, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

In addition to foreclosing the lien hereby retained, in the event of nonpayment by any Owner of such Owner's portion of any assessment, the Association may, acting through the Board, upon ten (10) days' prior written notice thereof to such nonpaying Owner, in addition to all other rights and remedies available at law or otherwise, restrict the rights of such nonpaying Owner to use the Common Areas, if any, in such manner as the Association deems fit or appropriate and/or suspend the voting rights of such nonpaying Owner so long as such default exists.

No Owner may waiver or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot. In addition to the above rights, the Association shall have the right to refuse to provide the services of the Association to any Owner who is delinquent in the payment of the above described assessments.

Section 9. Subordination of the Lien to Mortgages. As hereinabove provided, the title to each Lot shall be subject to a vendor's lien and power of sale and nonjudicial foreclosure securing the payment of all assessments and charges due the Association, but said vendor's lien and power of sale and nonjudicial foreclosure shall be subordinate to any valid first lien or mortgage and any valid lien securing the cost of construction of improvements. Sale or transfer of any Lot shall not affect said vendor's lien or power of sale and nonjudicial foreclosure. However, the sale or transfer of any Lot or improvements which is subject to any valid first lien or mortgage or lien securing the construction of improvements, pursuant to a judicial or nonjudicial foreclosure under such lien or mortgage or any conveyance in satisfaction of such debt (commonly called a "deed in lieu of foreclosure") shall extinguish the

1187/0920

vendor's lien and power of sale and nonjudicial foreclosure securing such assessment or charge only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or improvements thereon or the Owner thereof from liability from any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided hereinabove, the Association, in the discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein any other mortgage, lien or encumbrance, subject to such limitations, if any, as such Board may determine.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot or improvements thereon which is used as a residence shall be exempt from said assessments and charges.

Section 11. Savings Clause. All agreements between any Owner and the Association and/or Declarant, whether now existing or hereafter arising, and whether written or oral, and whether implied or otherwise, are hereby expressly limited so that in no contingency or event whatsoever shall the amount of interest collected, charged, or received by the Association and/or Declarant for the payment or performance of any covenant or obligations contained herein or in any other document related hereto exceed the maximum amount of interest permitted to be collected, charged, or received under applicable law. If from any circumstance whatsoever, the fulfillment of any provision hereof or of such other document at the time performance of such provision shall be due, shall involve exceeding the limit of validity prescribed by law, then, ipso factor, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstance the Association and/or Declarant should ever collect, charge, or receive an amount deemed to be collected, charged, or received under applicable law, such amount which would be excessive interest shall be applied to the reduction of the principal amount owing on such obligation and not to the payment of interest, or if such excess interest exceeds the principal balance of the assessment or other obligation, the excess shall be refunded to the Owner or other obligor. The right to accelerate the maturity of any assessment or other obligation owing to Declarant or the Association shall not include the right to accelerate the maturity of any interest which has not otherwise accrued on the date of such acceleration, and Declarant and the Association do not intend to collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid by any Owner for the use, forbearance or detention of any indebtedness to the Association and/or Declarant shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of such indebtedness until payment in full so that the actual rate of interest on account of such indebtedness is uniform throughout the term thereof. The terms and provisions of this paragraph shall control and supersede any other provision of this Declaration and any other agreement between any Owner and the Association and/or Declarant. The maximum lawful rate shall be determined by utilizing the indicated rate ceiling from time to time in effect pursuant to Tex. Rev. Civ. Stat. Art. 5069-1.04, as amended. In no event shall the provisions of Chapter 15 of the Texas

1187/0921

Credit Code (Tex. Rev. Civ. Stat. Art. 5069-15.01, et seq.) be applicable to any assessment or obligation.

ARTICLE V  
INSURANCE

The Association, through the Board of Directors, or its duly authorized agent, shall have the authority to obtain the following types of insurance policies:

(a) Property insurance covering the Common Area and all improvements thereon in an amount equal to the full replacement value of the improvements and facilities located upon the Common Area and owned by the Association (including all building service equipment and the like) with an "agreed amount endorsement" or its equivalent, a "demolition endorsement" or its equivalent and, if necessary an "increased cost of construction endorsement" or "contingent liability from operation of building laws endorsement" or the equivalent, affording protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsement in Texas, and by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage, and any such other risk as shall customarily be covered with respect to projects similar in construction, location and use;

(b) A comprehensive policy of public liability insurance covering all of the Common Area and insuring the Association, within such limits as it may consider acceptable (for all claims for personal injury and/or property damage arising out of a single occurrence); such coverage to include protection against water damage liability, liability for nonowned and hired automobiles, liability for property of others, and any other covering the Association deems prudent and which is customarily carried with respect to projects similar in construction, location and use; and

(c) A policy of fidelity coverage to protect against dishonest acts on the part of officers, directors, trustees, and employees of the Association and all others who handle, or are responsible for handling funds of the Association; such fidelity bonds shall be of the kind and in an amount the Association deems necessary for the protection of the Owners.

Premiums for all such insurance policies carried by the Association shall be a common expense payable from the annual assessments on all of the Lots. Liability and property insurance for Lots and the contents of residences shall be the responsibility of each individual Owner. All proceeds from policies held by the Association shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least two (2) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. In no event shall the

1187/0922

insurance company or the bank or other financial institution holding proceedings on a policy issued in the name of the Association be authorized to distribute any proceeds therefrom to the Declarant. Proceeds from such policies shall be used by the Association only for the benefit of its Members and where such proceeds arise out of an occurrence in which a building or improvement owned by the Association is damaged or destroyed, they shall be used to repair, restore and rebuild such building or improvements. In the latter event, the Board of Directors shall advertise for sealed bids from licensed contractors, and upon acceptance of a bid received thereby, may negotiate with the contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed improvements or buildings. In the event the insurance proceeds are insufficient to pay all costs of repairing and/or rebuilding said improvements to their original condition, the Association shall levy a special assessment for capital improvements against all Owners to make up the deficiency. This shall be done only after compliance with all the requirements for imposition of special assessments.

#### ARTICLE VI ARCHITECTURAL CONTROL

Section 1. Architectural Control Committee. There is hereby created an Architectural Control Committee (herein referred to as the "Committee") comprised of Roy R. Behrens, Jr., Eric Schumann, and Mark A. Kilkenny, all of Harris County, Texas, each of whom shall serve until his successor is appointed. Any two (2) of the members of the Committee shall have the full authority and power to act for the Committee. Any member of the Committee may be removed, with or without cause, by the Declarant. In the event any member of the Committee should be so removed from the Committee or if any member of the Committee should die, resign, refuse to act, or become unable or ineligible to act, Declarant shall have the authority to designate a successor. No member of the Committee or its designated representative(s), as herein defined, shall be entitled to any compensation for services performed pursuant to this Article. The Committee may, however, employ one or more architects, engineers, attorneys, or other consultants to assist the Committee in carrying out its duties hereunder, and the Association shall pay such consultants for such services as they render to the Committee. A majority of the Committee may designate one or more representative(s) to act for it and such representative(s) shall have the full right, authority, and power to carry out the functions of the Committee.

Section 2. Duties and Powers. The purpose of the Committee is to protect the environmental and architectural integrity of the Subdivision in accordance with the provisions of this Declaration. No building, fence, wall, or other structure or improvement of any nature shall be placed, constructed, erected, or maintained on any Lot, nor shall any exterior addition to or change or alteration therein be made until the construction plans and specifications for the same shall have been submitted to and approved in writing by the Committee as to (a) conformity and harmony of external design and location in relation to surrounding structures and topography, and (b) quality of workmanship and materials. Any plans and specifications to be submitted shall specify, in such form as the Committee may reasonably require, the location upon the Lot where the improvements are to be placed and

the dimensions thereof as well as appropriate information concerning the structural, mechanical, electrical, and plumbing details and the nature, kind, shape, height, color scheme, and materials of the proposed improvements or alterations. The Committee shall also have the right, where not otherwise set forth herein, to specify:

- (a) Minimum setbacks;
- (b) The location, height and extent of fences, walls, or other screening devices;
- (c) The orientation of structures and landscaping on Lots with respect to streets, walks, and structures on adjacent properties, however, the Committee shall not require setbacks further away from the streets than any platted building line; and
- (d) A limited number of acceptable exterior materials and/or finishes that may be used in the construction, alteration or repair of any improvement.

Further, no person exercising any prerogative of approval or disapproval by the Committee shall incur any liability by reason of the good faith exercise thereof.

Section 3. Committee Approval. Any approval or disapproval by the Committee or its designated representative(s) on any of the above matters shall be in writing and either conveyed in person or U.S. mail, postage prepaid. In the event said Committee or its designated representative(s) fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, then such plans and specifications shall be deemed disapproved. The Committee shall have the right, exercisable at its discretion, to grant variances to the architectural restrictions in specific instances where the Committee in good faith deems that such variance does not adversely affect the architectural and environmental integrity of the Subdivision or the common scheme of the development. If the Committee shall approve a request for variance, the Committee may evidence such approval, and grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing the decision of the Committee to permit the variance, describing (when applicable) the conditions on which the variance has been approved and signed by a majority of the then members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; however, the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Lots and with the Plat. Failure by the Committee to respond within thirty (30) days to a request for a variance shall operate as a denial of the variance.

1187/0924

Section 4. Term. The duties and powers of the members of the Committee herein named, their successors, assigns, and designated representative(s) shall cease on the earlier of twenty (20) years from the date this Declaration of Covenants, Conditions and Restrictions is recorded in the Real Property Records of Guadalupe County, Texas, or the date upon which all Lots subject to the jurisdiction of the Association become Occupied Lots. Thereafter, the duties and powers of the Committee shall vest in the Board of Directors of the Association or an Architectural Control Committee composed of three (3) or more representatives appointed by the Board of Directors of the Association. The approval required in this Article and the duties and powers vested in the Committee and its successors shall continue so long as this Declaration of Covenants, Conditions and Restrictions remains in force and effect. The then current members of the Committee may at any time voluntarily transfer all their duties and powers to the Board of Directors of the Association. To be effective, such a transfer shall be evidenced by a document executed by each of the then current members of the Committee.

Section 5. No Implied Waiver or Estoppel. No action or failure to act by the Committee or by the Board of Directors shall constitute a waiver or estoppel with respect to future action by the Committee or Board of Directors with respect to the construction of any improvements within the Subdivision. Specifically, the approval by the Committee or Board of Directors of any such residential construction shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar residential construction or any similar proposals, plans, specifications, or other materials submitted with respect to any other residential construction by such person or other Owner.

#### ARTICLE VII EXTERIOR MAINTENANCE

Section 1. Obligation. All Living Units and other buildings located within the Subdivision must be kept in good repair and must be painted when necessary to preserve their attractiveness. All damaged, diseased beyond recovery, or dead trees shall be cut and removed from any Lot at the expense of the Owner. Vacant Lots shall be mowed and maintained in appearance by the Owner and shall not be used as dumping grounds for rubbish, trash, rubble, or soil, except that Declarant or the Committee may designate fill areas into which materials specified by Declarant or the Committee may be placed. The Association may plant, install and maintain shrubbery and other screening devices around boxes, transformers and other above-ground utility equipment. The Association shall have the right to enter upon the Lots to plant, install, maintain, and replace such shrubbery or other screening devices. To the extent necessary to prevent rat infestation, diminish fire hazards and accomplish any of the above needed repair, maintenance and restoration, the Association shall have the right (but not the obligation), through its agents and employees, to enter any residence or improvement located upon such Lot. Neither the Association nor its agents or employees shall be liable, and are expressly relieved from any liability for trespass or other tort in connection with the performance of the exterior maintenance and other work authorized in this Article. Section 3. Common Area. The Common Area shall not be used for any commercial purposes; however, this provision shall not preclude the Association from charging reasonable fees for the use of the recreational facilities which are part of the Common Area.

Section 4. Exemption for Sale of Lots. Notwithstanding any provisions herein contained to the contrary, it shall be permissible for Declarant or the builder of any residence to maintain, during the period of construction and sale of Lots within the Subdivision, upon any portion of a Lot, such facilities as in the sole opinion of the Declarant may be reasonably required, convenient or incidental to the construction and sale of improved Lots, including, without limitation, a business office, storage area, construction yards, model units, and a sales office.

No Owner of any Lot in the Subdivision or any visitor or guest of any Owner shall be permitted to perform work on any vehicle in any driveway or street other than for work of a temporary nature. For the purpose of the foregoing term, "temporary" shall mean that the vehicle shall not remain in a driveway or street in excess of forty-eight (48) hours. Garage doors shall be closed at all times, except for immediate entry or exit.

Section 9. Storage of Building Materials. The Board of Directors of the Association shall have the right to enter in and upon any Lot for the purpose of removing any sign being maintained thereon which has not been approved by it. In no event shall the Association or its Board of Directors be liable to any person or persons for any damages of whatever nature for removing such signs in a reasonable manner.

Except as expressly approved in writing by the Committee, the immediately preceding sentence shall in no way affect or change the side or rear setback lines hereinabove set forth and these setback lines shall continue to apply to any building site or a group of building sites under the same or substantially the same ownership. For the purpose of these restrictions, the front of each Lot shall coincide with and be the property line having the smallest dimension abutting a street. The front building setback line shall be as hereinabove required. There shall be a minimum of ten (10) feet between the Living Unit slabs and the Living Unit shall not be located on the Lot nearer than five (5) feet from either side property line. Both lawn storage buildings and children's playhouses and tree houses are limited to a maximum height of eight feet (8'). Lawn storage buildings and children's playhouses and tree houses may be of new construction, or may be moved from another location onto a Lot, but must in all circumstances be placed to the rear of the Living Unit so as not to be visible from the fronting street. Section 18. Grass. The owner of each Occupied Lot shall spot sod or sprig with grass the area between the front of the residence and curb line of the abutting street. The grass shall be of a type and within standards prescribed by the Committee. Grass and weeds shall be kept mowed to prevent unsightly appearance. Thereafter, the Association shall have the power and authority to grant such an easement upon the vote of a majority of the membership votes entitled to be cast at any meeting of the Members of the Association or otherwise. An easement is also specifically granted to the United States Post Office, its agents and employees to enter upon any portion of the Subdivision in performance of mail delivery or any other United States Post Office services. Further, all of the Subdivision shall be subject to such easements, restrictions, covenants, and conditions required to be imposed against the Subdivision by Declarant in any agreement entered into with Guadalupe Valley Electric Cooperative for the delivery of underground electrical service to the Subdivision (the "Utility Agreement"). Accordingly, the recordation of any such Utility Agreement in the Real Property Records of Guadalupe County, Texas, shall constitute an amendment to the Declaration that includes in this Declaration and imposes against the Subdivision any and all easements, restrictions, covenants, and conditions required under said Utility Agreement.
