

Unit Owner Survey (Optional)

The objective of this survey is to determine how the **Board** can consider preferences of the **Unit Owners** in the day-to-day management of **PLTH**.

Although you may obtain input from anyone in the household, please respond as a single **Unit** rather than each **Unit Owner** and **Occupant** responding individually. This survey is optional. Please answer as many questions as you wish and return to **PLTH**. Responses will be shared with all **Unit Owners**, however, the identity of individual responses will not be shared.
