The board would like to make a change to the by-laws under Article V – Officers, #3 currently it states that the president may not exceed a term of 13 months. We feel that 1-year is not enough time to make effective changes. <b>Do you agree that the president may hold more then 1 consecutive term?</b> (The board members would still have to vote in the President annually)		
In our currant budget we have a Bridge emergency fund and a road emergency fund we would like to combine the two and just make a general emergency fund. <b>Should we combine the bridge and road emergency funds and make one general emergency fund?</b>		
Do to the amount of construction going on the board would like to be able to pay the ARB Board members \$150.00 ea. annually . <b>Do you agree that the ARB Board members should receive \$150. ea annually</b>
