If you are new to the neighborhood, welcome! We hope you will become involved in MPWNA. We have general neighborhood meetings every other month alternating with Board meetings. Activities vary and include crime prevention, grant acquisition, advocacy, and just getting together to visit. We live in wonderfully diverse area of the Valley and we want to maintain our uniqueness while keeping our area neat, attractive and friendly to all. Whether you are a homeowner, a renter or a student in the area, we extend a welcome to you and encourage you to get involved at a very local level—your neighborhood.

We have also started a “Green Tips” section to the web. Keep checking for updates.
