Carl became a Hawaii resident in May 1981, and lived in Downtown since April 1988.

Carl SUPPORTS affordable homes and apartment rentals, downtown restroom facilities, and emergency shelters.

Carl is AGAINST stopping any emergency vehicle sirens, belonging to ambulance, fire or police. Any anti-small-business law or tax increase!

LEGISLATIVE PARTICIPATION:

In December 2003, Carl authored the original Urination and Defecation Bill (HB 1828), also known as, "Carl's Shi-Shi Bill", that was introduced for legislation by former House Member Ken Hiraki (D), State House District 28, which was then signed into law (ACT 84) on May 10, 2004. Now, not much smell. Other districts want this law as well. If voted into office, Carl will vote for this law in all districts, on all islands.

For the past 25 years Carl wrote and submitted testimonies for legislative consideration, testified at many committee hearings, visited both Senate and House Chambers to listen and observe the political process. Carl is a frequent visitor to the public access room at the State Capitol where he researches bills, resolutions, and study its legislative history.
