

2006 Victorian Ghost Tour

WSCNA Victorian Ghost Tour Successful!

The 2006 Victorian Ghost Tour, sponsored by the WSCNA, was both successful and fun. Many visitors from out-of-town, including more local Hoosiers to a group from Los Angeles, marveled at both the beautiful architecture and real-life accounts of paranormal activity. Much thanks to David Domine and Rhonda Williams for composing (David) and organizing the event.

Jessica McCarty & Michael Tyree

Tour guides included Kelly Creagh, David Domine, Jon Huffman, Jessica McCarty, Nancy McCormick, Michael Tyree, Nancy Waters, Michael Williams, and Charles Zoeller.

Many thanks to Dupont, Stick Witch, Madam Zanskaya, Phantom of Brook Street, the Resurrectionist, Pink Palace's Bordello Princess, and the very creepy nanny at the Inn at the Park (did anybody else think of "The Turn of the Screw"?) for their beautiful and yet frightening performances.

All proceeds from the Victorian Ghost Tour go to the WSCNA Historic Lighting effort. Thanks to all the tour guides and let's get those lights on!!!!
