

AND RECYCLE WARM A HEART

Although fall is here, the cool winds are whistling around every corner. We still have neighbors that will suffer through the winter cold months without the warmth of a good coat. The NAP (Neighborhood Alliance of Pawtucket) with your help can make the difference for our neighbors on Nov. 28th.

Please drop off your good, outgrown, or unused COATS at one of these locations from Nov. 1st - 26th.

**Books on Wings will be giving free books on Nov. 28th.*
