

**G**oin' to the ol' swimmin' hole is one of our favorite summer

pastimes here at Oquirrh Park. Please help us with the enforcement of our

pool rules. The rules are there for the benefit of the neighborhood and to keep us in line with Health Department regulations. This is a public pool and therefore it has more rules than you would have for your own backyard. Basic rules are:

- Food and drink are not allowed in the pool area.
- Children under 5 are not allowed in the hot tub.
- Rinse off in the clubhouse shower before entering the pool.
- Infants need to be wearing swim diapers.

**Please show courtesy to your fellow neighbors by not putting them in the position of having to remind you or your children of the rules.**
