Call and TELL the dispatcher what you need, "I need the police"! Give a good description of your boat, color, and size, anything unique, which will help us locate you. When you see us, hail us! Use a flare, wave a towel, shirt, anything you can to help us find you. Call 502-574-2111 and talk to a dispatcher, they can guide us to your location. Use your Marine radio (if you have one) on channel #16.
