

NOTICE

Environmental Assessment Public Hearing

Proposed Highway 7 & Wooddale Ave. Interchange Construction, City of St., Louis Park

TIME: Tuesday, January 6, 2009
Open House 6:00 PM – 8:00 PM

PLACE: St. Louis Park City Hall (Council Chambers)
5005 Minnetonka Boulevard, St. Louis Park, MN 55416

PURPOSE: The City of St. Louis Park, in cooperation with Mn/DOT, is working to complete plans for a proposed grade separated interchange at the above location. More specifically, a bridge allowing Wooddale Avenue to cross over Highway 7 would be constructed. Construction is anticipated to commence as early as the spring or summer of 2009. An Environmental Assessment/State Environmental Assessment Worksheet (EA/EAW) that assesses the impacts of this project will be published and made available to the public on December 15, 2008. Copies of the EA/EAW are available at St. Louis Park City Hall (5005 Minnetonka Boulevard) and the St. Louis Park Library (3240 Library Lane). It is also available on the City's website (www.stlouispark.org).

This public hearing provides an opportunity for the public to view and comment on the Environmental Assessment. City staff and the consultant staff will be available to provide specific information and respond to your questions, concerns, and comments.

QUESTIONS: Please contact Scott Brink, City Engineer at (952) 924-2687 (sbrink@stlouispark.org), if you have any questions about the meeting or the project in general.

COMMENTS: Comments on the EA/EAW will be received through Wednesday, January 14, 2009, and may be directed to Wayne Norris, Mn/DOT Project Manager, at (651) 234-7724 or Wayne.norris@dot.state.mn.us.
