

Demographic Characteristics of Registered Organization Areas

City of Indianapolis
Department of Metropolitan Development
Division of Planning

Source: 2000 Census Block Level Data

The Non-white category was calculated as the sum of the following categories: Black, American Indian and Alaskan Native, Asian, Hawaiian and Pacific Islander, Other, and Two Races. Percent Non-white was calculated as Non-white population divided by Total Population multiplied by 100. Hispanic Origin was calculated as Hispanic population divided by Total Population multiplied by 100. Data was prorated based on organization boundaries. Rounding error is possible.
