

towers disfigure the Ruby Hill Park view plane.
They are much more apparent than the existing lattice towers.
Look old, tired, and industrial.
Someone to save Denver's views - underground the lines through the park!

← New Xcel tower recently installed.

Towers disfigure the Ruby Hill Park view plane.
Towers are much more apparent than the existing lattice towers.
Look old, tired, and industrial.
view planes - underground the lines through the park!
