

OPEN SPACE FORUM

East Bay Hills residents are invited to discuss regional open space issues at a forum to be held:

**Wednesday, October 8th
7:00 to 9:00 pm
Lake Chabot Golf Course
11450 Golf Links Road, Oakland CA.**

The goal of the meeting is to build an alliance of area residents committed to preserving and enhancing the quality of the East Bay Hills natural environment and to create a coalition that spans across city limits and neighborhood association boundaries.

At the top of the agenda will be a presentation by the Sierra Club on Measure WW and a discussion of strategies to ensure passage of the November 4th ballot proposition, which is critical to preserving and promoting open space in the region.

Other featured presentations will include updates on the Oakland Zoo expansion presented by members of Friends of Knowland Park (friendsofknowland.org) and the current state of Oak Knoll development plans.
