Note: City of San Antonio statistics reflect Census data for the geographic area as of April 01, 2000. Council District statistics reflect calculations for census block groups based on the geographic extent of current boundaries, and exclude data suppressed by the Census Bureau for geographic areas with very low population. Council District areas represent 2007 Redistricting Boundaries, 2007 Annexations, and 2007 Limited Annexations.

¹ For population 25 years and older attaining specified degree or higher.

² Estimated using block group medians.

³ Percentage below poverty level of the population for whom poverty status is determined (1,122,736).
