PRELIMINARY STRATEGIC ACTION FRAMEWORK FOR PUBLIC SAFETY & CRIME PREVENTION

Stakeholder Outreach & Education	Neighborho od and Police Dept. Coordinatio n	Advocacy & Partnership	Community Building	Task Force Organization	Funding	Public Safety Infrastructure and Maintenance Needs	Data Collection and Research	People's Park and Problem Properties
Create targeted outreach strategies for homeowners, renters, students, landlords, business owners, the homeless, surrounding neighborhoods	Meet with COB and UC Police on a regular basis to share information and coordinate crime prevention efforts	Lobby UC/COB for increased police presence in the Willard/South Campus Area	Recruit block captains who can assemble their own teams of neighborhood walk and posting/leafleting volunteers	Recruit interested neighborhood residents who can/will make a one year commitment to the Task Force	Identify grant funding sources (e.g., COB, UC, State of California)	Identify specific locations for COB to install additional lighting	Conduct an "on foot" neighborhood safety assessment to identify areas in need of lighting maintenance, additional lighting, trimming of vegetation, etc.	Support UC design competition
Develop rapid response systems to notify neighbors of crime incidents, such as "robo-call" voice mail alerts, emails, posted flyers, and door-to-door leafleting.	Work with police to develop a "sting" operation to catch thieves, taggers, vandals, etc.	Work with Gordon Wozniak to create a Public Safety Commission	 Install "Welcome to Willard" signage to promote a sense of community and neighborhood identity 	Define the Task Force vision, mission, action plan, timeline and budget	Conduct direct fundraising for crime prevention efforts	Report non-functioning street lights	Collect and distribute crime statistics	Promote other efforts to make the park safer including installation of security cameras
Encourage immediate of suspicious incidents, petty thefts, etc.	Encourage neighbors to attend the Citizens Police Academy	Attend City Council meetings and demand greater attention to public safety/crime prevention needs	Host a self-defense education event	Define roles and responsibilities of Task Force members: divvy up assignments.	Request funding from WNA members	Report locations where tree trimming is needed to make existing lighting more effective	Identify "best practices" of other neighborhoods, both locally and nationally	Identify other nuisance areas/properties (i.e., loitering, drug dealing aggressive panhandling, litter, graffiti) that require police response or other intervention
Create a wallet card with emergency numbers and contacts		Collaborate and share information with adjacent neighborhoods' public safety/crime prevention groups			Look into bulk purchasing of/installation of motion lights	Install permanent signage with public safety/crime prevention messages (e.g., phone numbers, encouragement to report crime, warnings to would-be criminals)	Determine whether private security is an option for the Willard neighborhood	
Develop an all-purpose flyer for door-to-door distribution		Work with student groups such as ASUC, Co-ops, JFC, Pan- Hellenic Union on a neighborhood crime watch, student safety campaign				Report all graffiti; demand rapid response		
Encourage neighborhood residents to put on their porch lights Encourage property								
owners to install motion-sensitive lights • Develop a neighborhood "crime bulletin" email list.
