

IMPORTANT NOTICE

2008 AMENITY AREA KEY DISTRIBUTION

Each year, the locks on the pool gate are changed. In previous years, a new key has been mailed to each family in the community. With almost 700 households in the community now, the cost of mailing the key to each household has become prohibitive. In order to save the association this expense and reduce the likelihood of a key not reaching each household we will be distributing the keys as we did last year.

At the annual homeowners' association meeting, a key will be given to each homeowner (one per household) in attendance at the meeting. For those homeowners who can not attend the meeting, keys will be given out on two Saturdays, **April 26 and May 3, at the lower pool area from 11:00am till 3:00pm.** Keys will be available for distribution only during these hours only. A key will be given only to property owners, with photo id. If your home is leased, please send a message to the assoc.mgt.svcs@comcast.net. Please state the name of your tenant and that you authorize them to pick up the key for your home.

If you can not attend the annual homeowners' association meeting, please mark your calendar now for these important dates. Also, if you are not sure if your account with the homeowners association is current, please call **Association Management 615-370-8710** or send a message to assoc.mgt.svcs@comcast.net. A key will be given out at the annual meeting and on the scheduled dates, only to those homeowners whose account is current.

If you have any questions please call Association Management 615-370-8710 or email assoc.mgt.svcs@comcast.net
