Architectural control form

Revised January 2008

Submitter name and address:

Brief description or project title:

This form is to be used by the WGA members before an architectural modification or addition is contemplated. The purpose of this exercise is to guide the owners toward improving of the beauty, the quality and the value of the neighborhood.

Limitation to expansions, additions and construction are defined in the covenants and by-laws, please refer to the covenant link posted on the WGA homepage for details.

This form can be submitted electronically or by mail to the current president of WGA. The president will organize the necessary communication with the board, and will provide a recommendation within one month. It is the requester responsibility to make sure the request is received, or to obtain a delivery receipt or a confirmation email.

Please provide necessary information with a reasonable amount of details or drawings, to allow a fair review by your neighbors sitting at the board.
