## ARTICLE III

### MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot which is subject to assessment shall be a Member of the Homeowners Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. The voting rights of the membership shall be appurtenant to the ownership of the Lots. There shall be two classes of Lots with respect to voting rights:

(a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as the same are hereinafter defined. Each Class A Lot shall entitle the Owner(s) of said Lot one (1) vote. When more than one person owns an interest (other than a leasehold or a security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to said Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any one Class A. (2) On November 1, 1996, whichever is earlier.

Section 3. In the event that the Owner of any residence ceases to occupy that residence as his own personal living quarters or in the event that any property within the development is leased for rental purposes to tenants, if voted in a block, shall not be entitled to any weight greater than forty-nine percent (49%) on any matter pending before the Homeowners Association.

#### ARTICLE IV

##### PROPERTY RIGHTS

Section 1. Owner's Easement of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area, which shall be appurtenant to and pass with the title to every Lot, subject to the following provisions:

(a) The right of the Homeowners Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Area and to limit the use of said facilities to Owners who occupy a residence on the Properties as their principal residence in Mecklenburg County, North Carolina, and to their families, tenants, contract purchasers, and guests, as provided in Section 2 of this Article IV.

(b) The right of the Homeowners Association to suspend the voting rights and rights to the use of the recreational facilities of an Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.

(c) The right of the Homeowners Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless the Members entitled to at least two-thirds (2/3) of the votes appurtenant to each Class of Lots (Class A and Class B) agree to such dedication or transfer and signify their agreement by a signed and recorded written instrument, provided that this subsection shall not preclude the Board of Directors of the Homeowners Association from granting easements to public authorities or others for the installation and maintenance of sewerage, utilities, and drainage facilities upon, over, under, and across the Common Area without the assent of the

membership when, in the sole opinion of such Board, such easements do not interfere with the use and enjoyment of the Properties or are necessary for the convenient use and enjoyment of the Properties;

(d) The right of the Homeowners Association, with the written assent of Members entitled to at least two-thirds (2/3) of the votes appurtenant to each Class of Lots (Class A and Class B), to mortgage, pledge, deed in trust, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred.

#### Section 2. Delegation of Use.

(a) Family. The right and easement of enjoyment granted to every Owner in Section 1 of this Article IV may be exercised by members of the Owners' family who occupy the residence of the Owner within the Properties as their principal residence in Mecklenburg County, North Carolina.

(b) Tenants or Contract Purchasers. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be delegated by the Owner to his tenants or contract purchasers who occupy a residence within the Properties, or a portion of said residence, as their principal residence in Mecklenburg County, North Carolina.

(c) Guests. Recreational facilities situated upon the Properties may be utilized by guests of Owners, tenants, or contract purchasers subject to the rules and regulations of the Homeowners Association, as may be established by its Board of Directors, governing said use.

### ARTICLE V

#### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the properties, hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Homeowners Association: (1) monthly assessments or charges and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Any such assessment or charge, together with interest, costs and reasonable attorney's fees shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall be a charge on the land and shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purposes of Assessments. The assessments levied by the Homeowners Association shall be used to promote the recreation, health, safety, and welfare of the residents of the Properties in connection with the use and enjoyment of the Common Area, including, but not limited to, the cost of maintenance, repair, replacement, or additions thereto, the cost of labor, equipment, materials, management, and supervision thereof, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the Bylaws, the employment of attorneys to represent the Homeowners Association, when necessary, and such other needs as may arise.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$66.00 per Class A Lot and \$16.00 per Class B Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessments above established may be increased, effective January 1 of each year, without a vote of the membership, but subject to the limitation that any such increase shall not exceed the percentage increase, if any, in the Consumer Price Index (published by the Department of Labor, Washington, D. C.) for all Cities over the immediately preceding twelve (12) month period which ended on the previous October 1.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, said maximum annual assessments may be increased without limitation, if such increase is approved by Members entitled to no less than two-thirds (2/3) of the votes (appurtenant to each Class of Lots) represented in person or by proxy at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessments at amounts not in excess of the maximum, but the ratio of the assessment established for each Class A Lot to the assessment established for each Class B Lot shall always be four to one.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Homeowners Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the same assent of the Members as provided in Section 3(b) of this Article.

Section 5. Assessment Rate. Both annual and special assessments must be fixed at a uniform rate for all Lots within each class and may be collected as determined by the Board of Directors.

Section 6. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all Members not less

than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty (60%) percent of the votes appurtenant to each Class of Lots (Class A and Class B) shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates; Certificate of Payment. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance to the Homeowners Association of the Common Area.

At least thirty (30) days before January 1 of each year, the Board of Directors shall fix the amount of the annual assessments against each Lot for the next year and at least fifteen (15) days before January 1 shall send written notice of such fixed assessment to every Owner subject thereto. The due dates for the payment of annual and special assessments shall be established by the Board of Directors. The Homeowners Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Homeowners Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Homeowners Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six percent (6%) per annum or the maximum interest rate permitted to be legally charged under the laws of the State of North Carolina at the time of such delinquency, whichever is greater. In addition to such interest charge, the delinquent Owner shall also pay such late charge as may have been theretofore established by the Board of Directors of the Homeowners Association to defray the costs of late payment. The Homeowners Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and interest, late payment fee, costs, and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage, mortgages, first deed of trust, or deeds of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any mortgage, mortgages, deed of trust, or deeds of trust.

Section 10. Exempt Property. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or cepted nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

#### ARTICLE VI

##### ARCHITECTURAL CONTROL

No building, fence, wall, or other structure shall be commenced or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made, including the erection of antennas, aerials, awnings, the placement of reflective or other material in the windows of a Homeowners Unit or other exterior attachment, until the plans and specifications showing the nature, kind, shape, heights, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by an architectural control committee composed of three (3) or more representatives appointed by the Declarant or by the Board of Directors of the Association, once the Declarant assigns to it the right of appointment hereunder. In the event said committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required, and this Article will be deemed to have been fully complied with. The committee shall have the right to charge a reasonable fee for receiving such application in an amount not to exceed \$25.00. The architectural control committee shall not approve any alterations, decorations, or modifications which would jeopardize or impair the soundness, safety, or appearance of any Lot or the Common Area. Provided that nothing herein contained shall be construed to permit interference with the development of the Properties by the Declarant in accordance with its general plan of development.

The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement.
