

1000 TUCSON

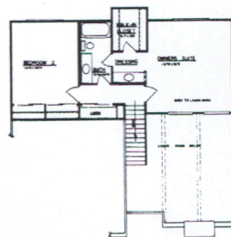

300 NORMANDY

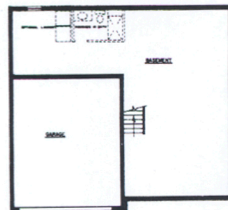

Rarely will you find such a striking collection of stylish homes, each with a tasteful personality all its own. In fact, each home has been designed as an original creation, with prestigious (and practical) features carefully built-in, both inside and out. From the cedar shake shingle roofs to the brick and cedar siding – every quality touch has been thought of, including innovations as: solar hot water heaters, water-saver outlets and an optimum energy package.
