# **COMMUNITY CRIME PREVENTION MEETING**

## **INTERNET SAFETY**

**Wednesday  
May 21, 2008 at 7:00 p.m.**

**Long Beach Water Department  
1800 East Wardlow Road  
(West of Cherry Avenue)**

What do we do when our eight-year-old child knows more than we do about cyberspace? How do we guide our children safely through this new world and how do we set the rules when we don't even understand the risks? The childproof locks, seatbelts and helmets we use to help keep them safe in everyday life won't protect them in cyberspace. The internet is a wondrous tool that exposes our children to new ideas, cultures, and people, but it also exposes them to dangers.

Please join Sergeant Steve Wolf from the Irvine Police Department for an informative evening and learn what you can do to protect your children from internet dangers. Sergeant Wolf will discuss topics such as computer safety, MySpace, and Facebook.

**Our monthly Community Crime Prevention Meetings are hosted by the Long Beach Police Department's Crime Prevention Unit.**

**They are open to everyone in the community.**

**Please bring your friends and neighbors!**

**For additional information contact the  
Long Beach Police Department's  
Community Relations Division at (562) 570-7215**
