## New Castle County Reorganizes Services for Civic Groups

Over the coming year, New Castle County is reorganizing services provided in support of neighborhood maintenance corporations and civic associations. Core County services, including maintenance corporation billing, stormwater pond issue management, and hands-on help for new or struggling maintenance corporations or associations, will continue to be provided.

Instead of one staff person assisting a specific community, staff will now handle assignments based on issue area. Associations or maintenances corporations should contact a staff person based on the areas of concern listed at right.

Helpful information about maintenance corporations, civic associations, stormwater and drainage issues, and more can also be found on the County's website at [www.co.new-castle.de.us/executive/home/webpage4.asp](http://www.co.new-castle.de.us/executive/home/webpage4.asp). For information about your neighborhood association, check out [www.neighborhoodlink.com](http://www.neighborhoodlink.com).
