Section 4.1. *Personal Obligation for Assessments.*

Each Owner of a Lot, including Declarant, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees and shall be personally obligated to pay to the Association: annual assessments or charges, special assessments, and other charges, fines, fees, interest, late charges, and other amounts, all as provided in this Declaration; with such assessments and other amounts to be established and collected as hereinafter provided. The obligation for such payments by each Owner to the Association is an independent covenant with all amounts due, from time to time, payable in full when due without notice or demand (except as otherwise expressly provided in this Declaration), and without set-off or deduction. All Owners of each Lot shall be jointly and severally liable to the Association for the payment of all assessments, fees, charges and other amounts attributable to their Lot. Each amount, together with interest, late charges, costs, and reasonable attorney's fees, shall be the personal obligation of the Person(s) who was the Owner of such Lot at the time when the amount became due. The personal obligation for delinquent amounts (including assessments) shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 4.2. *Purpose of Assessments.*

The assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the residents of the Lots, and for all of those purposes and activities which may be required of the Association or which the Association may be empowered to pursue pursuant to this Declaration or the Articles of Incorporation or Bylaws of the Association, or by law. Assessments levied during the 75% Control Period may not be used for the purpose of constructing capital Improvements.

Section 4.3. *Initial Annual Assessment.*

Until the effective date of an Association budget ratified by the Members with a different amount for the annual assessments, as provided above, the amount of the annual assessment against each Lot shall not exceed Seventy Seven and No/100 Dollars (\$77.00) per Lot per month, exclusive of any amounts due to any district and/or any other Person or entity. However, the rate of assessments paid with respect to the Unoccupied Lots may be less than that paid with respect to the other Lots, as provided in the next Section.

Section 4.4. *Rate of Annual and Special Assessments.*

4.4.1. Annual and special assessments shall be sufficient to meet the expected needs of the Association and shall be apportioned among the Lots in accordance with their Allocated Interests. Notwithstanding the foregoing, however, the amount of the annual and special assessments against the Unoccupied Lots may be set at a lower rate than that charged against other lots, because the Unoccupied Lots receive and benefit from fewer services funded by such assessments than the other Lots. Colorado Revised Statutes §38-33.3-315(3)(b) states that "Any common expense or portion thereof benefiting fewer than all of the units shall be assessed exclusively against the units benefited." Based on this provision, the rate of annual and special assessments assessed against Unoccupied Lots, if they are to be lower than the annual assessments against other Lots, shall be determined by the Board of Directors, from time to time, based on the costs and expenses of the services actually provided to the Unoccupied Lots. The annual assessments shall include an adequate reserve fund for the maintenance, repair and replacement of those items that must be maintained, repaired or replaced on a periodic basis and for the payment of insurance deductibles.

4.4.2. During the 75% Control Period, the Declarant may in its discretion, but shall not be required to, cover certain costs of the Association by payment of any amount(s), which shall constitute an advance against amount(s) then or thereafter due from the Declarant; provided, however, that any such advances which have not been credited against amounts due from the Declarant as of termination of the 75% Control Period shall then be repaid by the Association to the Declarant, without interest, to the extent that the Association has funds in excess of its working capital funds, reserve funds, and operating expenses to date for the calendar year in which the 75% Control Period terminates; and provided further, however, that any of such advances which are not repaid to the Declarant shall continue to constitute advances against future amounts due from the Declarant until conveyance by the Declarant of all of the property described on the attached Exhibit D. If the Declarant elects in its discretion to pay any amounts as provided in this subparagraph, Declarant shall not, under any circumstances, be obligated to continue payment or funding of any such amount(s) in the future.

Section 4.5. *Date of Commencement of Annual Assessments.*

The annual assessments shall commence at such time as the Board of Directors may determine in its discretion. The amount of the initial annual assessment shall not be greater than the amount set forth in Section 4.3 hereof. After commencement of annual assessments as provided in the first sentence of this Section, annual assessments shall be made no less frequently than annually

and shall be based on an annual budget adopted by the Association as provided in this Declaration. The annual assessments shall be due and payable in monthly installments, in advance, on the first day of each month, or on such other dates, and with such frequency (which may be other than monthly, but not less frequently than annually), as the Board of Directors determines in its discretion from time to time, provided that the first annual assessment shall be adjusted to reflect the time remaining in the first Association fiscal year. Any Owner purchasing a Lot between installment due dates shall pay a pro rata share of the last payment due.

Section 4.6. *Special Assessments.*

In addition to the annual assessments authorized in this Article, the Board of Directors may levy, in any fiscal year, with the approval of the votes of two-thirds (2/3rds) of a quorum of the Association's votes cast by Members voting in person or by proxy at a meeting duly called for this purpose, a special assessment applicable to that year only, for the purpose of defraying in whole or in part the cost of any construction, repair or replacement of a capital Improvement upon any portion of real property for which the Association has repair and/or replacement obligations, including fixtures and personal property related thereto, or for repair or replacement of any damaged or destroyed Improvements located on said real property, or for the funding of any deficit incurred by the Association. Any such special assessment shall be set against each Lot in accordance with the Allocated Interests set forth in this Declaration. A meeting of the Members called for the purpose of considering the establishment of a special assessment shall be held in conformance with Section 4.7 hereof. Notwithstanding the foregoing, special assessments levied during the 75% Control Period may not be used for the purpose of constructing capital Improvements.

Section 4.7. *Notice and Quorum for Any Special Assessments.*

Written notice of any meeting called for the purpose of taking any action authorized under Section 4.6 hereof shall be sent to all Members not less than thirty (30) days nor more than fifty (50) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the Association votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 4.8. *Assessments/Charges for Services to Less Than All Lots.*

The Association may, at any time from time to time, provide services to less than all of the Lots in the Community. If such services are not funded by the Association's annual or special assessments, then such services shall be provided, if at all, pursuant to an agreement in writing between the Association and the Owners of the Lots for which such service is to be provided, with such agreement to include a statement and terms for payment of the costs, fees and expenses that are to be paid by such Owners for such services, and which amounts shall include overhead expenses of the Association. Services which may be provided by the Association pursuant to this Section may include, without limitation, (a) the construction, care, operation, management, maintenance, upkeep, repair, replacement and renovation of Improvements or property owned by such Owner(s); (b) the provision of any services or functions to such Lot(s); (c) the enforcement of

the provisions of any document or agreement for, on behalf of, and in the name of the applicable Owners; (d) the payment of taxes or other amounts for Owners with funds provided by such Owners; (e) the collection of charges for use of facilities and (f) the procurement of insurance for Owners.

Section 4.9. *Lien for Assessments.*

4.9.1. The Association has a statutory lien on a Lot, for any amount levied against that Lot or the Owner(s) thereof, including for fines imposed against the Lot's Owner(s). Fees, charges, late charges, attorney fees, fines and interest charged pursuant to this Declaration are enforceable as assessments under this Article. The amount of the lien shall include all those items set forth in this Section from the time such items become due. If an assessment is payable in installments, each installment is a lien from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

4.9.2. Recording of this Declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessments is required. However, the Board of Directors or managing agent of the Association may prepare, and record in the county in which the applicable Lot is located, a written notice setting forth the amount of the unpaid indebtedness, the name of the Owner(s) of the Lot, and a description of the Lot. If a lien is filed, the costs and expenses thereof shall be added to the assessments for the Lot against which it is filed and collected as part and parcel thereof. The Association's lien may be foreclosed in like manner as a mortgage on real estate.

Section 4.10. *Priority of Association Lien.*

4.10.1. A lien under this Article is prior to all other liens and encumbrances on a Lot except:

4.10.1.1. Liens and encumbrances recorded before the recordation of the Declaration;

4.10.1.2. A Security Interest on the Lot which has priority over all other security interests on the Lot and which was recorded before the date on which the assessment sought to be enforced became delinquent; and

4.10.1.3. Liens for real estate taxes and other governmental assessments or charges against the Lot.

4.10.2. A lien under this Section is also prior to the Security Interests described in the preceding subsection 4.10.1.2 to the extent, if any, provided in CCIOA.

4.10.3. This Section does not affect the priority of mechanics' or materialmen's liens or the priority of liens for other assessments made by the Association.

4.10.4. The Association's lien on a Lot for assessments and other amounts shall be superior to any homestead exemption now or hereafter provided by the laws of the State of

Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said Association lien.

Section 4.11. *Certificate of Status of Assessments.*

The Association shall furnish to an Owner or such Owner's designee or to a Security Interest Holder or its designee, upon written request delivered personally or by certified mail, first class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount of unpaid assessments currently levied against such Owner's Lot. The statement shall be furnished within fourteen (14) calendar days after receipt of the request and is binding on the Association, the Board of Directors, and every Owner. If no statement is furnished to the Owner or Security Interest Holder or their designee, delivered personally (including delivery by facsimile) or by certified mail, first class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert a lien upon the Lot for unpaid assessments which were due as of the date of the request. The Association shall have the right to charge a reasonable fee for the issuance of such certificates.

Section 4.12. *Effect of Non-Payment of Assessments; Remedies of the Association.*

Any assessment not paid within ten (10) days after the due date thereof may bear interest from the due date at the rate of twenty-one percent (21%) per annum, or at any lesser rate, if any lesser rate is at any time set by the Board of Directors, and the Board of Directors may charge a monthly late charge thereon. The Association may bring an action at law against the Owner(s) personally obligated to pay the same, or foreclose the lien against such Owner's Lot. If a judgment or decree is obtained, including without limitation, in a foreclosure action, such judgment or decree shall include reasonable attorney's fees to be fixed by the court, together with the costs of the action, and may include interest and late charges, as above provided. No Owner shall be exempt from liability for payment of assessments by waiver of the use or enjoyment of any of the Common Area or by abandonment of the Lot against which the assessments are made, or because of dissatisfaction with the Association or its performance. This Article does not prohibit actions or suits to recover sums for which this Declaration creates a lien, nor does this Article prohibit the Association from taking a deed in lieu of foreclosure.

Section 4.13. *Surplus Funds.*

Any surplus funds of the Association remaining after payment of or provision for Association expenses, and any prepayment of or provision for reserves, shall be retained for use by the Association and need not be paid to the Owners or credited to them to reduce their future assessments.

Section 4.14. *Working Capital Fund.*

The Association shall require the first Owner (other than the Declarant) of any Lot who purchases that Lot from the Declarant to make a non-refundable contribution to the Association in an amount equal to three (3) times the then current monthly installment of the annual assessment (regardless of whether or not annual assessments have commenced as provided in Section 4.5 hereof). Said contribution shall be collected and transferred to the Association at the time of closing of the sale by Declarant of each Lot and shall be for the use and benefit of the Association,

including, without limitation, to meet expenditures or to purchase equipment, property or services. Such contribution to the working capital fund shall not relieve an Owner from making regular payments of assessments as the same become due. Upon the transfer of his Lot, an Owner shall be entitled to a credit from his transferee (but not from the Association) for the aforesaid contribution to working capital fund.

Section 4.15. *Other Charges.*

The Association may levy and assess charges, costs and fees for matters such as, but not limited to, the following, in such reasonable amounts(s) as the Board of Directors may determine in its discretion at any time from time to time, including reimbursement of charges that are made to the Association by its managing agent or other Person: copying of Association or other documents; return checks; facsimiles; long distance telephone calls; transfer charges or fees upon transfer of ownership of a Lot; notices and demand letters; and other charges incurred by the Association for or on behalf of any Owner(s). All such charges, costs and fees shall be in addition to the assessments levied by the Association, but shall be subject to all of the Association's rights with respect to the collection and enforcement of assessments.

Section 4.16. *Assessments for Misconduct.*

If any Association expense is caused by the misconduct of any Owner, as determined by the Board of Directors, the Association may assess that Association expense exclusively against such Owner and his Lot.

ARTICLE 5. ARCHITECTURAL REVIEW COMMITTEE

Section 5.1. *Composition of Committee.*

The Architectural Review Committee shall consist of three (3) or more persons appointed by the Board of Directors; provided, however, that until automatic termination of the Special Declarant Rights as provided in Section 1.22 of this Declaration, the Declarant may appoint the Architectural Review Committee. The power to "appoint" as provided herein, shall include without limitation the power to: constitute the initial membership of the Architectural Review Committee; appoint member(s) to the Architectural Review Committee on the occurrence of any vacancy therein, for whatever reason; and remove any member of the Architectural Review Committee, with or without cause, at any time, and appoint the successor thereof. Each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time to time in the discretion of the appointor. The terms of office of all then-current members of the Committee who were appointed by the Declarant shall automatically terminate at such time as the Declarant's power to appoint members of the Committee expires.

Section 5.2. *Review and Approval by Committee; Requirement for Approval by Governmental Entities.*

5.2.1. Except as provided in Section 5.15 hereof, no Improvements shall be constructed, erected, placed, planted, applied or installed upon any Lot unless complete plans and specifications therefor (said plans and specifications to show exterior design, height, materials, color, and location of the Improvements, plotted horizontally and vertically, location and size of driveways, location, size and type of landscaping, fencing,

walls, windbreaks and grading plan, as well as such other materials and information as may be required by the Committee), shall have been first submitted to and approved in writing by the Architectural Review Committee.

5.2.2. The Architectural Review Committee shall exercise its reasonable judgment to the end that all proposed Improvements conform to and harmonize with the existing surroundings and Improvements ("Criteria for Approval"). In its review of such plans, specifications and other materials and information, the Architectural Review Committee may require that the applicant(s) reimburse the Committee for the actual expenses incurred by the Committee in the review and approval process. Such amounts, if any, shall be levied in addition to the assessments against the Lot for which the request for approval was made, but shall be subject to the Association's lien for assessments and subject to all other rights of the Association for the collection of such assessments, as more fully provided in this Declaration.

5.2.3. In addition to the required approvals by the Architectural Review Committee as provided in this Article, the construction, erection, addition, deletion, change or installation of any Improvements shall also require the applicant to obtain the approval of all governmental entities with jurisdiction thereover, and issuance of all required permits, licenses and approvals by all such entities. Without limiting the generality of the preceding sentence, issuance of building permit(s) by the Town of Parker, Colorado, if required, shall be a precondition to commencement of any construction or alteration of, addition to or change in any Improvement.

Section 5.3. *Design Guidelines and Standards.*

The Architectural Review Committee, with the approval of the Board of Directors, has the authority to, at any time from time to time, enact, issue, promulgate, modify, amend, repeal, re-enact, and enforce, design or architectural guidelines and standards to interpret and implement the provisions of this Article and the Declaration. Without limiting the generality of the foregoing, such guidelines and/or standards may contain provisions to clarify the criteria for approval of certain Improvements, (e.g. the design, material, size, location, etc.), may state the procedural requirements for submissions to the Committee, and may provide for blanket approvals, interpretations or restrictions on Improvements. By way of example, and not by way of limitation, such provisions may state that a certain type of screen door will be acceptable and will not require approval, or may state that certain types of fences are considered pre-approved (as long as such fences are in an approved location and comply with the applicable guidelines and/or standards) and that no other type of fences will be approved by the Committee. The Committee shall have the authority, with the approval of the Board of Directors, to enact, issue, promulgate, modify, amend, repeal, re-enact, and enforce separate guidelines and standards that govern the different types of dwelling units and/or Lots in the Community. Any guidelines, rules and regulations of the Committee shall be consistent, and not in conflict, with this Article and any other applicable provisions of this Declaration.

Section 5.4. *Procedures.*

The Architectural Review Committee shall decide each request for approval within sixty (60) days after the complete submission of all the plans, specifications and other materials and

information which the Committee may require in conjunction therewith. If the Architectural Review Committee fails to decide any request within sixty (60) days after the complete submission of all the plans, specifications, materials and other information with respect thereto, then the request for approval shall be deemed to have been denied.

Section 5.5. *Vote and Appeal.*

A majority vote of the Architectural Review Committee is required to approve a request for approval pursuant to this Article, unless the Committee has appointed a representative to act for it, in which case the decision of such representative shall control. In the event a representative acting on behalf of the Architectural Review Committee decides a request for denial, then the applicant shall have the right to an appeal of such decision to the full Committee, upon a request therefor submitted to the Committee within ten (10) days after such decision by the Committee's representative.

Section 5.6. *Prosecution of Work After Approval.*

After approval of any proposed Improvement, the proposed Improvement shall be accomplished as promptly and diligently as possible and in complete conformity with the terms and conditions of the approval. Failure to complete the proposed Improvement within one (1) year after the date of approval of the application therefor (or such longer time as may be granted in writing by the Committee in its discretion) or to complete the Improvement in complete conformance with terms and conditions of the approval, shall constitute noncompliance with the requirements for approval of Improvements by the Architectural Review Committee.

Section 5.7. *Notice of Completion.*

Upon completion of the Improvement, the applicant for approval of the same ("Applicant") shall give a written "Notice of Completion" to the Architectural Review Committee. Until the date of receipt of such a Notice of Completion, the Architectural Review Committee shall not be deemed to have notice of completion of the Improvement on which approval has been sought and granted as provided in this Article.

Section 5.8. *Inspection of Work.*

The Architectural Review Committee or its duly authorized representative shall have the right to inspect any Improvement prior to or after completion in order to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article; provided, however, that the right of inspection shall terminate sixty (60) days after the Architectural Review Committee shall have received a Notice of Completion from the Applicant.

Section 5.9. *Notice of Noncompliance.*

If, as a result of inspections or otherwise, the Architectural Review Committee finds that any Improvement has been done without obtaining the approval of the Architectural Review Committee or was not done in substantial compliance with terms and conditions of the approval that was granted, or was not completed within one (1) year after the date of approval, subject to any extensions of time granted pursuant to Section 5.6 hereof, the Architectural Review Committee shall notify the Applicant in writing of the noncompliance; which notice shall be given, in any

event, within sixty (60) days after the Architectural Review Committee receives a Notice of Completion from the Applicant ("Notice of Noncompliance"). The notice shall specify the particulars of the noncompliance.

Section 5.10. *Correction of Noncompliance.*

If the Committee determines that a noncompliance exists, the Applicant shall remedy or remove (and return the subject property or structure to its original condition) the same within a period of not more than thirty (30) days from the date of receipt by the Applicant of the ruling of the Committee. If the Applicant does not comply with the Committee ruling within such period, the Committee may, at its option, record a Notice of Noncompliance against the property on which the noncompliance exists, may remove the non-complying Improvement or may otherwise remedy the noncompliance, and the Applicant shall reimburse the Committee, upon demand, for all costs and expenses incurred with respect thereto. The right of the Committee to remedy or remove any noncompliance shall be in addition to all other rights and remedies which the Committee may have at law, in equity, or under this Declaration.

Section 5.11. *Variance.*

The Architectural Review Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article or Article 10 of this Declaration, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments shall be granted only in case the granting thereof shall not be materially detrimental or injurious to the other property or improvements in the neighborhood and shall not militate against the general intent and purpose hereof.

Section 5.12. *Waivers; No Precedent.*

The approval or consent of the Architectural Review Committee, or any representative thereof, to any application for approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the Committee or any representative thereof, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent as to any other matter.

Section 5.13. *Records.*

The Architectural Review Committee shall maintain written records of all applications submitted to it and all actions taken by it thereon for such period of time as may be determined by the Board of Directors from time to time, and such records shall be available to Members for inspection at reasonable hours of the business day.

Section 5.14. *Liability.*

Neither the Architectural Review Committee, nor any members thereof, shall be liable in equity or damages to any person submitting requests for approval or to any Owner by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove in regard to any matter within their jurisdiction hereunder. In reviewing any matter, the Architectural Review Committee shall not be responsible for the safety, whether structural or otherwise, of any item(s)

submitted for review, nor the conformance with applicable building codes or other governmental laws or regulations, and any approval of an Improvement by the Architectural Review Committee shall not be deemed an approval of any such matters. No Member or other Person shall be a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval or disapproval granted by the Architectural Review Committee.

Section 5.15. *Exemption of Declarant and Certain Builders.*

Notwithstanding anything to the contrary contained in this Declaration, until automatic termination of the Special Declarant Rights as provided in Section 1.22 of this Declaration (Special Declarant Rights), the Declarant shall be exempt from the provisions of this Article except for the requirements to obtain approval from all governmental entities with jurisdiction thereover.

ARTICLE 6. INSURANCE

Section 6.1. *Insurance.*

The Association shall maintain insurance in connection with the Common Area. The Association shall maintain insurance as required by applicable law or applicable regulation, including CCIOA, which insurance shall include, without limitation, property insurance, commercial general liability insurance and fidelity coverage. In addition, the Association may maintain insurance against such other risks as the Board of Directors may elect from time to time, including, but not limited to, personal liability insurance to protect directors and officers of the Association from personal liability in relation to their duties and responsibilities in acting as directors and officers on behalf of the Association, worker's compensation insurance, and may maintain insurance on such other property and/or against such other risks as the Board of Directors may elect, in its discretion from time to time.

Section 6.2. *General Provisions of Insurance Policies.*

All policies of insurance carried by the Association shall comply with this Section. All policies of insurance carried by the Association shall be carried in blanket policy form naming the Association as insured, or its designee as trustee and attorney-in-fact for all Owners, and each Owner shall be an insured person under such policies with respect to liability arising out of any Owner's membership in the Association. Additionally, each Owner and each Security Interest Holder shall be beneficiaries of the policy in a percentage equal to the Owner's Allocated Interest. The policy or policies shall contain a standard non-contributory Security Interest Holder's clause in favor of each Security Interest Holder and a provision that it cannot be canceled or materially altered by either the insured or the insurance company until thirty (30) days prior written notice thereof is given to the insured and each Security Interest Holder, insurer or guarantor of a Security Interest. The Association shall furnish a certified copy or duplicate original of such policy or renewal thereof, with proof of premium payment and a certificate identifying the interest of the Owner in question, to any party in interest, including Security Interest Holders, upon request. All policies of insurance carried by the Association shall also contain waivers of subrogation. Further, all policies of insurance carried by the Association shall also contain waivers of any defense based

on invalidity arising from any acts or neglect of an Owner where such Owner is not under the control of the Association.

Section 6.3. *Deductibles.*

The Association may adopt and establish written non-discriminatory policies and procedures relating to the responsibility for deductibles. Any loss, or any portion thereof, which falls within the deductible portion of a policy that is carried by the Association, may be borne by the Person who is responsible for the repair and maintenance of the property which is damaged or destroyed, may be apportioned among the Persons sharing in a joint duty of repair and maintenance, and/or may be partly or wholly borne by the Association, and/or may be shared by any such Person(s) and the Association at the election of the Board of Directors. Notwithstanding the foregoing, after notice and hearing, the Association may determine that a loss, either in the form of a deductible to be paid by the Association or an uninsured loss, resulted from the act or negligence of one or more Owners. Upon said determination by the Association, any such loss, or any portion thereof, may be assessed to the Owner(s) in question and the Association may collect such amount(s) from said Owner(s) in the same manner as any assessment.

Section 6.4. *Payment of Insurance Proceeds.*

Any loss covered by an insurance policy described in Section 6.1 hereof must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any Security Interest Holder. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Association, Owners and Security Interest Holders as their interests may appear. Subject to the provisions of Section 7.1 of this Declaration, the proceeds must be disbursed first for the repair or replacement of the damaged property; and the Association, Owners and Security Interest Holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or replaced and any budget or reserve deficit has been funded, or unless the Community is terminated.

Section 6.5. *Association Insurance as Primary Coverage.*

If at the time of any loss under any policy which is in the name of the Association, there is other insurance in the name of any Owner and such Owner's policy covers the same property or loss, or any portion thereof, which is covered by such Association policy, such Association policy shall be primary insurance not contributing with any of such other insurance. An Owner shall be liable to the Association for the amount of any diminution of insurance proceeds to the Association as a result of policies of insurance of an Owner, and the Association may collect the amount from said Owner in the same manner as any assessment. Any such Owner's policy shall also contain waivers of subrogation.

Section 6.6. *Acceptable Insurance Companies.*

Each insurance policy purchased by the Association must be written by an insurance carrier that is authorized by law to do business in the State of Colorado. The Association shall not obtain any policy where (a) under the terms of the insurance company's charter, bylaws, or policy, contributions or assessments may be made against the mortgagor or mortgagee's designee, or (b) under the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action

by the carrier's board of directors, policy holders or members, or (c) the policy includes any limiting clauses (other than insurance conditions) which could prevent mortgagees or any Owner from collecting insurance proceeds.

Section 6.7. *Insurance to be Maintained by Owners.*

An insurance policy issued to the Association does not obviate the need for Owners to obtain insurance for their own benefit. Insurance coverage on each Owner's Lot and the Improvements thereon, which provides replacement cost coverage, as well as on personal property belonging to an Owner, and public liability insurance coverage on each Lot, shall be the responsibility of the Owner of such Lot.

ARTICLE 7. DAMAGE OR DESTRUCTION

Section 7.1. *Damage or Destruction.*

7.1.1. Any portion of the Community for which casualty insurance is required to be carried by the Association under this Declaration which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

7.1.1.1. The Community is terminated; or

7.1.1.2. Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or

7.1.1.3. Members casting sixty-seven percent (67%) of the Association votes, including the vote for each Lot that has a dwelling unit that will not be rebuilt, vote not to rebuild; or

7.1.1.4. Prior to conveyance of any Lot to a Person other than the Declarant, a Security Interest Holder of a Security Interest on the damaged portion of the Community rightfully demands all or a substantial part of the insurance proceeds.

7.1.2. The cost of repair or replacement that is covered by insurance carried by the Association, but which is in excess of insurance proceeds and reserves, is an Association expense. If the entire Community is not repaired or replaced, the insurance proceeds attributable thereto must be used to restore the damaged area to a condition compatible with the remainder of the Community and, except to the extent that other Persons will be distributees, the remainder of the proceeds must be distributed to all the Owners or lienholders, as their interests may appear, in proportion to the assessment liability of all the Lots. If the Members vote not to rebuild any Lot, that Lot's Allocated Interest is automatically reallocated upon the vote as if the Lot had been condemned as provided in Section 12.14 of this Declaration, and the Association promptly shall prepare, execute and record an amendment to the Declaration reflecting such reallocations.

Section 7.2. *Lots.*

Except as otherwise provided in Section 7.1 hereof, any damage to or destruction of any structure located on a Lot shall be promptly repaired and replaced by the Owner(s) thereof.

"Repaired and replaced," as used in this Section, shall mean restoring the structure to substantially the same condition in which it existed immediately prior to such damage or destruction, including having the same boundaries as before. If the Owner(s) of a Lot do not commence repair or replacement activities within a reasonable time, as provided above, and diligently pursue the same in conformance with the plans approved by the Architectural Review Committee then, in accordance with and subject to the provisions of Section 8.2 of this Declaration, the Association may, in its reasonable discretion, enter upon the Lot for the purpose of completing such repair and replacement.

ARTICLE 8. EXTERIOR MAINTENANCE

Section 8.1. *General.*

8.1.1. Maintenance, repair and replacement of the Common Area and all Improvements located thereon and of any other drainage structure or facilities, or other public Improvements required by the local governmental entity as a condition of development of the Community or any part thereof, shall be the responsibility of the Association unless such Improvements have been dedicated to and accepted by the local governmental entity for the purpose of maintenance, repair and replacement or unless such maintenance, repair and replacement has been authorized by law to be performed by a special district or other municipal or quasi-municipal entity. Further, the Association may provide such other maintenance, repair and replacement as the Board of Directors deems appropriate from time to time, including without limitation, publicly dedicated property and Improvements located thereon. The costs, expenses, fees, and other amounts to be expended for the maintenance, repair and replacement that is provided for in this subsection shall, subject to Section 8.4 hereof, be collected by the Association as assessments and paid as Association expenses.

8.1.2. Except as provided in subsections 8.1.1 above, the Owner of each Lot shall provide all maintenance, repair and replacement thereof and of the Improvements thereon. Without limiting the generality of the foregoing, the Owners of Lots 2 through 17, inclusive, Block 1, and Lots 23 through 28, inclusive, Block 3, all as shown on the Final Plat, shall be required to maintain, repair and replace any portion of any cement drainage channels which may now or hereafter be located, as a part of the required drainage improvements for the Community, within the rear yard area of such Owners' Lots. At no time shall any Owner of one the aforementioned Lots cause or allow any obstruction to the flow of water to or in any portion of the cement drainage channels that may be located on their Lot. Privacy fencing must be installed in such a manner as to insure that the flow of water to or in such cement drainage channels is not obstructed.

Section 8.2. *Association's Right to Repair, Maintain and Replace.*

In the event any Owner(s) shall fail to perform his maintenance, repair and/or replacement obligations in a manner satisfactory to the Board of Directors, (including the Association may, if said failure continues for a thirty (30) day period after written notice to said Owner(s) by the Board, enter upon said Lot subsequent to the expiration of said thirty (30) day time period to perform any or all of such maintenance, repair or replacement. The cost of such maintenance, repair and/or replacement shall be the personal obligation of the Owner(s) of the Lot on which such work is

performed, and shall be subject to all of the terms and provisions applicable to assessments as provided in Article 4 of this Declaration, including without limitation, interest, late charges, attorney's fees and lien rights.

**Section 8.3. *Maintenance of and Non-Interference with Grade and Drainage;
Some Irrigation Recommendations Around Foundations and Slabs.***

8.3.1. Each Owner shall maintain the grading on his Lot (including grading around the building foundation), and the Association shall maintain the grading on the Common Area, at the slope and pitch fixed by the final grading thereof, including landscaping and maintenance of the slopes, so as to maintain the established drainage. Each Owner and the Association agree, for themselves and their, heirs, personal representatives, successors and assigns, that they will not in any way interfere with or obstruct the established drainage pattern over any real property which they have a duty to maintain, from adjoining or other real property. In the event that it is necessary or desirable to change the established drainage over any Lot or the Common Area, then the party responsible for the maintenance of such real property shall submit a plan to the Architectural Review Committee for its review and approval in accordance with Article 5 of this Declaration, and any such change shall also be made in accordance with all laws, regulations and resolutions of any applicable governmental entities. For purposes of this Section, "established drainage" is defined as the drainage that exists at the time final grading by the Declarant is completed.

8.3.2. The Owner of a Lot should not plant flower beds (especially annuals), vegetable gardens and other landscaping which requires regular watering, within five (5) feet of the foundation of the dwelling unit or any slab on the Lot. If evergreen shrubbery is located within five (5) feet of any foundation wall or slab, then the Owner of the Lot should water such shrubbery by "controlled hand-watering," and should avoid excessive watering. Further, piping and heads for sprinkler systems should not be installed within five (5) feet of foundation walls and slabs.

Section 8.4. *Owner's Acts or Omissions.*

Notwithstanding anything to the contrary contained in this Declaration, in the event that the need for maintenance, repair or replacement of or within any property for which the Association has an obligation to maintain, repair or replace, any Lot, or any Improvements located thereon, is caused by the act or omission of any Owner, or by the act or omission of any member of such Owner's family or by a tenant, guest or invitee of such Owner, the cost of such repair, maintenance, replacement or expense to avoid such damage shall be the personal obligation of such Owner to the extent that said Owner would be liable for the acts of such Persons under the laws of the State of Colorado; and any costs, expenses and fees incurred by the Association for such maintenance, repair or replacement shall be added to the assessment to which such Owner's Lot is subject and shall be subject to all of the terms and provisions of Article 4 of this Declaration. A determination of the act or omission of any Owner, or any member of an Owner's family or a tenant, guest or invitee of any Owner, and the amount of the Owner's liability therefor, shall be determined by the Association at a hearing after notice to the Owner, provided that any such determination which assigns liability to any Owner pursuant to the terms of this Section may be appealed by said Owner to a court of law.

ARTICLE 9. EASEMENTS

Section 9.1. *Other Easements.*

In addition to any other easements that may be granted or reserved elsewhere in this Declaration, the following Sections describe easements to which the Community is or may be subject.

Section 9.2. *Access Easement.*

Each Lot shall be subject to an easement in favor of the Association and the Owners, including the agents, employees and contractors thereof, for performing maintenance, repair and/or replacement or other services as provided in this Declaration, including without limitation, maintenance, repair and/or replacement pursuant to Section 8.2 of this Declaration. If damage is inflicted, or a strong likelihood exists that it will be inflicted, on the Common Area, any other property, or any Lot, the Owner responsible for the damage or expense to avoid damage, or the Association if it is responsible, is liable for the cost of prompt repair. Further, the rights and easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owner(s) or occupant(s) of any affected Lot; except that no such notice shall be required in connection with any exterior, non-intrusive maintenance; and except that in emergency situations entry upon a Lot may be made at any time provided that the Owner(s) or occupant(s) of each affected Lot shall be warned of impending emergency entry as early as is reasonably possible. The interior of any dwelling unit located on a Lot shall not be subject to the easements provided for in this Section.

Section 9.3. *Utilities Easement.*

The Declarant hereby reserves a blanket easement upon, across, over and under the Common Area for utilities and the installation, replacement, repair and maintenance of utilities, including, but not limited to, water, sewer, gas, telephone, electricity, computer cable, and television antenna or cable or satellite television systems, if any. By virtue of this blanket easement it shall be expressly permissible to erect and maintain the necessary facilities, equipment and appurtenances on the Common Area, and to affix, repair, and maintain water and sewer pipes, gas, electric, telephone, computer and television wires, cables, circuits, conduits and meters. In the event any utility or quasi-utility company furnishing a service covered by the general easement created herein requests a specific easement by separate recordable document, Declarant reserves and is hereby given the right and authority to grant such easement upon, across, over or under any part or all of the Common Area without conflicting with the terms hereof; provided, however, that such right and authority in the Declarant shall automatically cease at such time as the Special Declarant Rights terminate as provided in Section 1.22 of this Declaration, at which time said reserved right shall vest in the Association. The easement provided for in this Section shall in no way affect, avoid, extinguish or modify any other recorded easement(s) on the Common Area.

Section 9.4. *Easement for Encroachments.*

To the extent that any Improvement on a Lot or on the Common Area, encroaches on any other Lot or Common Area, a valid easement for the encroachment exists.

Section 9.5. *Drainage Easement.*

Declarant hereby reserves, to itself and to the Association, easements for drainage or drainage facilities across the five (5) rear and five (5) side feet of each Lot; provided, however, that if the primary structure on a Lot is located upon any of the areas described in this sentence, then such easement shall be reduced in width to the width of the distance from the nearest Lot line to the exterior wall of such primary structure that is nearest to such Lot line. Except for the primary structures located on a Lot as provided in the preceding sentence; no Improvements shall be placed or permitted to remain on any Lot, nor shall any change in grading be permitted to exist, which may change the direction of flow or obstruct or retard the flow of water through channels or swales within such rear and side yard drainage easements. Declarant reserves to itself and to the Association the right to enter in and upon each five (5) foot rear and side yard drainage easements, at any time, to construct, repair, replace or change drainage structures or to perform such grading, drainage or corrective work as Declarant or the Association may deem necessary or desirable in their sole discretion from time to time; provided, however, that such right and authority in the Declaration shall automatically terminate at such time as the Special Declarant Rights terminate as provided in Section 1.22 of this Declaration, at which time said reserved right shall vest solely in the Association.

Section 9.6. *Easement for Unannexed Property.*

The Declarant hereby reserves, for the use and benefit of the Annexable Area, a non-exclusive, perpetual easement and right-of-way for pedestrian and vehicular access, ingress and egress, on, over and across the roads, driveways, streets, sidewalks, accessways and similar Common Area, now or hereafter constructed, erected, installed or located in or on the Community, and on, over, across and under the Common Area for utilities and the construction, location, erection, installation, storage, maintenance, repair, renovation, replacement and use of any utilities Improvements that may now or hereafter serve the Annexable Area or any portion thereof (herein the "Annexable Area Easement"). By virtue of this Annexable Area Easement, the Declarant generally intends to provide for pedestrian and vehicular access and for utilities services, to those portion(s) of the Annexable Area which have not been included, from time to time, in the Community pursuant to Section 12.5 of this Declaration. Hence, the Annexable Area Easement shall be in effect for each portion of the Annexable Area, from and after recording of this Declaration, but shall cease to be effective as to each portion of the Annexable Area at such time as both of the following have occurred with respect to such portion of the Annexable Area: annexation of such portion of the Annexable Area to this Declaration pursuant to the aforesaid Section; and expiration of the Declarant's right to withdraw such portion of the Annexable Area from this Declaration.

ARTICLE 10. RESTRICTIONS.

Section 10.1. *General Plan; Restrictions Imposed.*

It is the intention of the Declarant to establish and impose a general plan for the improvement, development, use and occupancy of the Community. This Community is subject to the recorded easements, licenses, and other matters listed on Exhibit C attached hereto and incorporated herein by this reference, as well as all provisions of the Final Plat or any development plan applicable to the Community. In addition, the Declarant declares that the Community

(including all of the Lots therein) shall be held and shall henceforth be sold, conveyed, used, improved, occupied, owned, resided upon and hypothecated, subject to the following provisions, conditions, limitations, restrictions, agreements and covenants, as well as those contained elsewhere in this Declaration.

Section 10.2. *Residential Use; Professional or Home Occupation.*

Subject to Section 12.8 of this Declaration, Lots shall be used for residential use only, including those uses which are customarily incident thereto, and shall not be used at any time for business, commercial or professional purposes. Notwithstanding the foregoing, however, Owners may conduct business activities within their homes provided that all of the following conditions are satisfied:

10.2.1. The business conducted is clearly secondary to the residential use of the home and is conducted entirely within the home;

10.2.2. The existence or operation of the business is not detectable from outside of the home by sight, sound, smell or otherwise, or by the existence of signs indicating that a business is being conducted;

10.2.3. The business does not result in an undue volume of traffic or parking within the Community, which determination shall be made by the Board of Directors in its sole discretion from time to time;

10.2.4. The business conforms to all zoning requirements and is lawful in nature; and

10.2.5. The business conforms to any rules and regulations that may be imposed by the Board of Directors from time to time on a uniform basis.

Section 10.3. *Household Pets.*

No animals, livestock, birds, poultry, reptiles or insects of any kind shall be raised, bred, kept or boarded in or on the Lots; provided, however, that the Owners of each Lot or their tenants may keep a reasonable number of dogs, cats or other domestic animals which are bona fide household pets, so long as such pets are not kept for any commercial purpose and are not kept in such number or in such manner as to create a nuisance to any resident of the Lots. The Association shall have, and is hereby given, the right and authority to: set a size or poundage limit on pets; regulate the type(s) of pets that are permitted to be kept; determine in its sole discretion that dogs, cats or other household pets are being kept for commercial purposes or are being kept in such number or in such manner as to be unreasonable or to create a nuisance, determine that an Owner is in violation of the leash laws of the applicable jurisdiction or other applicable governmental laws, ordinances, or other provisions related to pets; or that an Owner or an Owner's tenant is otherwise in violation of the provisions of this Section. In any of the foregoing instances, the Association may take such action(s) as it may deem appropriate to correct the same. An Owner's right to keep household pets shall be coupled with the responsibility to pay for any damage caused by such pets, as well as any costs incurred by the Association as a result of such pets, and any such costs and

damages shall be subject to all of the Association's rights with respect to the collection and enforcement of assessments as provided in Article 4 of this Declaration.

Section 10.4. *Temporary Structures; Unsightly Conditions.*

Except as hereinafter provided, no structure of a temporary character, including, but not limited to, a house trailer, tent, shack, storage structure (except as otherwise provided in Section 10.5.8 hereof) or outbuilding shall be placed or erected upon any Lot; provided, however, that during the actual construction, alteration, repair or remodeling of a structure or other Improvements, necessary temporary structures for storage of materials may be erected and maintained by the Declarant or a Person doing such work. The work of constructing, altering or remodeling any structure or other Improvements shall be prosecuted diligently from the commencement thereof until the completion thereof. Further, no unsightly conditions, structures, facilities, equipment or objects shall be so located on any Lot as to be visible from a street or from any other Lot.

Section 10.5. *Miscellaneous Improvements.*

10.5.1. No advertising or signs of any character shall be erected, placed, permitted, or maintained on any Lot other than a name plate of the occupant and a street number, and except for a "For Sale," "Open House," "For Rent" or security sign(s) of not more than a total of five (5) square feet in the aggregate. Notwithstanding the foregoing, reasonable signs, advertising, or billboards used by the Declarant in connection with the sale or rental of the Lots, or otherwise in connection with development of or construction on the Lots, shall be permissible.

10.5.2. No clotheslines, drying yards, service yards, wood piles or storage areas shall be so located on any Lot as to be visible from a street, from the ground level of any other Lot or from the Common Area.

10.5.3. No type of refrigerating, cooling or heating apparatus shall be permitted on a roof or to protrude from a window and no such apparatus shall be permitted elsewhere on a Lot except when appropriately screened and approved by the Architectural Review Committee, subject to any provisions of any guidelines or standards adopted by the Architectural Review Committee. Without limiting the foregoing, conventional air conditioning units located on the ground of a Lot are permissible when approved in accordance with the preceding sentence.

10.5.4. Except as may otherwise be permitted by the Architectural Review Committee, subject to any provisions of any guidelines or standards adopted by the Architectural Review Committee, no exterior radio antennae, television antennae, or other antennae, satellite dish, or audio or visual reception device of any type shall be placed, erected or maintained on any Lot, except inside a dwelling unit or otherwise concealed from view; provided, however, that any such devices may be erected or installed by the Declarant during its sales or construction upon the Lots; and provided further, however, that the requirements of this subsection shall not apply to those "antennae" (including certain satellite dishes) which are specifically covered by the Telecommunications Act of 1996 and/or applicable regulations, as amended from time to time. As to "antennae" (including certain satellite dishes) which are specifically covered by the Telecommunications Act of

1996 and/or applicable regulations, as amended, the Association shall be empowered to adopt rules and regulations governing the types of "antennae" (including certain satellite dishes) that are permissible hereunder and, to the extent permitted by the Telecommunications Act of 1996 and/or applicable regulations, as amended, establishing reasonable, non-discriminatory restrictions or requirements relating to appearance, safety, location and maintenance.

10.5.5. No fences shall be permitted, except those fences approved in writing by the Architectural Review Committee (which shall include any fences deemed to be approved when constructed, erected, placed, located or installed in complete conformity with the provisions of any guidelines or standards adopted by the Architectural Review Committee) and except such fences as may be constructed, erected, placed, located or installed by the Declarant in its development of, or construction of, Improvements in the Community.

10.5.6. No wind generators shall be constructed, installed, erected or maintained on any Lot.

10.5.7. No dog runs shall be permitted on Lots, except those dog runs approved in writing by the Architectural Review Committee (which shall include any dog runs deemed to be approved when constructed, erected, placed, located or installed in complete conformity with the provisions of any guidelines or standards adopted by the Architectural Review Committee).

10.5.8. Notwithstanding Section 10.4 hereof, permanent storage sheds shall be permitted on Lots, but only with the prior approval of the Architectural Review Committee, (which shall include any storage sheds deemed to be approved when constructed, erected, placed, located or installed in complete conformity with the provisions of any guidelines or standards adopted by the Architectural Review Committee).

Section 10.6. *Vehicular Parking, Storage and Repairs.*

10.6.1. No house trailer, camping trailer, boat trailer, hauling trailer, jet ski, boat, or accessories thereto, truck (excluding pickup trucks that are 1 ton or less), self-contained motorized recreational vehicle, or other type of recreational or commercial vehicle or equipment, may be parked or stored on a Lot unless such parking or storage is entirely within the garage area of any Lot or will be suitably screened from view in accordance with the requirements, and prior written approval of, the Architectural Review Committee (subject to subject to any provisions of any guidelines or standards adopted by the Architectural Review Committee). However, any such vehicle may be otherwise parked as a temporary expedient for loading, delivery, or emergency. This restriction, however, shall not restrict trucks or other commercial vehicles that are necessary for construction or maintenance of any portion of the Community or any Improvements located thereon.

10.6.2. Except as otherwise provided in this and the next sentence, no recreational vehicles, or disassembled or partially disassembled vehicles of any type, shall be parked, stored, maintained, or used on any Lot or within the boundaries of the Community (unless such parking or storage will be within the fully enclosed garage of a Lot). However,

recreational vehicles may be temporarily parked for a maximum of three (3) consecutive days during any consecutive fourteen (14) day period in the driveway of a Lot. Recreation vehicles shall include, but not be limited to, motorhomes, pick-up trucks with camper shells, trailers, motorcycles, motorbikes, snowmobiles, jet skis, all-terrain vehicles, and other apparatus intended for use on land, water, or in the air, and the trailers used for their transportation.

10.6.3. Except as provided above, no abandoned or inoperable automobiles or vehicles of any kind shall be stored or parked in the Community. An "abandoned or inoperable vehicle" shall be defined as any automobile, truck, motorcycle, or other similar vehicle, which has not been driven under its own propulsion for a period of seventy-two (72) hours or longer, or which does not have an operable propulsion system installed therein, or which is not then currently registered and licensed; provided, however, that otherwise permitted vehicles parked by Owners while on vacation (for a maximum of two (2) weeks) or during a period of illness shall not be deemed to be abandoned.

10.6.4. In the event the Association shall determine that a vehicle is parked or stored in violation of subsections 10.6.1, 10.6.2 or 10.6.3 hereof, then a written notice describing said vehicle shall be personally delivered to the owner thereof (if such owner can be reasonably ascertained) or shall be conspicuously placed upon the vehicle (if the owner thereof cannot be reasonably ascertained), and if the vehicle is not removed within a reasonable time thereafter, as determined by the Association in its discretion from time to time, the Association shall have the right to remove the vehicle at the sole expense of the owner thereof.

10.6.5. No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting or servicing of any kind of vehicles, trailers or boats, may be performed or conducted in the Community unless it is done within a completely enclosed structure which screens the sight and sound of the activity from the street and from adjoining property. The foregoing restriction shall not be deemed to prevent the washing and polishing of any motor vehicle, boat, trailer, motor cycle, or other vehicle, together with those activities normally incident and necessary to such washing and polishing on a Lot.

Section 10.7. *Nuisances.*

No nuisance shall be permitted which is visible within or otherwise affects the Community or any portion thereof, nor any use, activity or practice which interferes with the peaceful enjoyment or possession and proper use of the Community or any portion thereof. As used herein, the term "nuisance" shall include each violation of this Declaration, the Articles of Incorporation, Bylaws, rules, regulations, standards and/or guidelines of the Association or the Architectural Review Committee, but shall not include any activities of Declarant which are reasonably necessary to the development and construction of, and sales activities in, the Community; provided, however, that such activities of the Declarant shall not unreasonably interfere with any Owner's use and enjoyment of his Lot, or with any Owner's ingress and egress to or from his Lot and a public way. No noxious or offensive activity shall be carried on upon any Lot nor shall anything be done or placed on any Lot which is or may become a nuisance or cause embarrassment, disturbance or annoyance to others. Further, no unlawful use shall be permitted or made of the Community or any

portion thereof. All laws, ordinances and regulations of all governmental bodies having jurisdiction over the Community or any portion thereof, shall be observed.

Section 10.8. *No Hazardous Activities; No Hazardous Materials or Chemicals.*

No activities shall be conducted on any Lot, or within Improvements constructed on any Lot, which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Lot and no open fires shall be permitted on any Lot except in a contained barbecue unit while attended and in use for cooking purposes or within an interior fireplace, or except such campfires or picnic fires on property which may be designated for such use by the Association. Further, no hazardous materials or chemicals shall at any time be located, kept or stored in, on or at any Lot except such as may be contained in household products normally kept at homes for use of the residents thereof and in such limited quantities so as to not constitute a hazard or danger to person or property.

Section 10.9. *No Annoying Lights, Sounds or Odors.*

No light shall be emitted from any Lot which is unreasonably bright or causes unreasonable glare; no sound shall be emitted from any Lot which is unreasonably loud or annoying; and no odor shall be permitted from any Lot which is noxious or offensive to others. Further, no annoying light, sound or odor shall be permitted in any portion of the Community that may be seen, heard or smelled from any adjoining portion of the Community.

Section 10.10. *Restrictions on Trash and Materials.*

No refuse, garbage, trash, lumber, grass, shrubs or tree clippings, plant waste, metal, bulk materials, scrap or debris of any kind shall be kept, stored, or allowed to accumulate except inside the residence on any Lot nor shall any such items be deposited on a street, unless placed in a suitable, tightly-covered container that is suitably located solely for the purpose of garbage pickup. Further, no trash or materials shall be permitted to accumulate in such a manner as to be visible from any other portion of the Community. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trashcans or trash receptacles shall be maintained in an exposed or unsightly manner.

Section 10.11. *Lots to be Maintained.*

Subject to Section 10.4 hereof, each Lot shall at all times be kept in a clean and sightly condition by the Owner(s) or tenants thereof.

Section 10.12. *Leases.*

The term "lease," as used herein, shall include any agreement for the leasing or rental of a Lot, or any portion thereof, and shall specifically include, without limitation, month-to-month rentals and subleases. Any Owner shall have the right to lease his Lot, or any portion thereof, as long as all leases are in writing and provide that the terms of the lease and lessee's occupancy of the leased premises shall be subject in all respects to the provisions of this Declaration, and the Articles of Incorporation, Bylaws and rules and regulations of the Association; and that any failure by the lessee to comply with any of the aforesaid documents, in any respect, shall be a default under the lease.

Section 10.13. *Landscaping of Lots.*

Within one (1) year (unless such time is extended in writing by the Architectural Review Committee) after initial conveyance of each Lot by the Declarant, the non-Declarant Owner thereof shall install landscaping (which shall include any landscaping deemed to be approved when constructed, erected, placed, located or installed in complete conformity with the provisions of any guidelines or standards adopted by the Architectural Review Committee) on all unlandscaped portions of his Lot which are not covered by a dwelling unit, and such Owner shall be responsible for maintaining such landscaping in a neat and attractive condition, including periodic and horticulturally correct pruning, removal of weeds, and replacement of landscaping. If any Owner of a Lot fails or refuses to install landscaping, as provided above, then the Association may, at the direction of the Board of Directors and after giving the notice provided for in Section 8.2 of this Declaration, enter upon such Owner's Lot and install the minimal landscaping required by any guidelines or standards adopted by the Architectural Review Committee. The costs and expenses incurred by the Association as a result the Association installing such landscaping shall be the personal obligation of the Owner(s) of the Lot on which such work is performed, and shall be subject to all of the terms and provisions applicable to assessments as provided in Article 4 of this Declaration, including without limitation, interest, late charges, attorney's fees and lien rights. Additionally, in the event any Owner of Lot fails or refuses to maintain the landscaping on such Owner's Lot, as provided above, then the Association may, at the direction of the Board of Directors and after giving the notice provided for in Section 8.2 of this Declaration, enter upon such Owner's Lot in order to perform such maintenance activities. The costs and expenses incurred by the Association as a result the Association maintaining such landscaping shall be the personal obligation of the Owner(s) of the Lot on which such work is performed, and shall be subject to all of the terms and provisions applicable to assessments as provided in Article 4 of this Declaration, including without limitation, interest, late charges, attorney's fees and lien rights.

ARTICLE 11. PROPERTY RIGHTS IN THE COMMON AREA

Section 11.1. *Owners' Easements of Enjoyment.*

Subject to this Article, every Owner shall have a non-exclusive right and easement for the purpose of access to such Owner's Lot and for use for all other purposes, in and to the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot.

Section 11.2. *Extent of Owners' Easements.*

Subject to the other provisions of this Article, the rights and easements of enjoyment created hereby are subject to the following: the Common Area may not be used in any manner which violates the statutes, rules, or regulations of any governmental authority with jurisdiction over the Common Area; and no Owner may place any structure on the Common Area. In addition, such rights and easements are subject to the following rights of the Association:

11.2.1. The right of the Association to borrow money for the purpose of improving the Common Area and to mortgage said property as security for any such loan; provided, however, that the Association may not subject any portion of the Common Area to a Security Interest except in accordance with CCIOA; and

11.2.2. The right of the Association to take such steps as are reasonably necessary to protect the Common Area against foreclosure; and

11.2.3. The right of the Association to promulgate and publish rules and regulations, and of the Architectural Review Committee to promulgate standards, guidelines, rules and regulations, with which each Member shall strictly comply, including, but not limited to, the right to regulate and/or restrict vehicular parking and Improvements; and

11.2.4. The right of the Association to suspend the voting rights of a Member for any period during which any assessment against his Lot remains unpaid and, for a period not to exceed sixty (60) days, for any infraction of the Declaration or the Association's Bylaws or rules and regulations; and

11.2.5. The right of the Association to dedicate or transfer all or any part of the Common Area owned by the Association to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such dedication or transfer shall be effective unless the same is done in accordance with CCIOA. Notwithstanding the foregoing, the granting of permits, licenses and easements for public utilities, roads or for other purposes reasonably necessary or useful for the proper maintenance or operation of the Community shall not be deemed a transfer within the meaning of this subsection; and

11.2.6. The right of the Association, through its Board of Directors, to enter into, make, perform or enforce any contracts, leases, agreements, licenses, easements and rights-of-way, for the use of real property or Improvements by Owners, other Persons, their family members, guests and invitees, for any purpose(s) the Board of Directors may deem to be useful, beneficial or otherwise appropriate; and

11.2.7. The right of the Association to close or limit the use of the Common Area while maintaining, repairing and making replacements in the Common Area.

Section 11.3. *Use of Common Area by Declarant.*

An easement is hereby granted to the Declarant on, over and through the Common Area as may be reasonably necessary for the purpose of exercising or discharging any of Declarant's rights or obligations or exercising any Special Declarant Rights, and no Owner shall engage in any activity which will temporarily or permanently interfere with the Declarant's easements on, over and through the Common Area.

Section 11.4. *Delegation of Use.*

Any Owner may delegate his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on his Lot.

Section 11.5. *Payment of Taxes or Insurance by Security Interest Holders.*

Security Interest Holders shall have the right, jointly or singly, to pay taxes or other charges or assessments which are in default and which may be or have become a lien against the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common Area, and any Security Interest Holders making any such payments shall be owed immediate reimbursement therefor from the Association.

Section 11.6. *Conveyance or Encumbrance of Common Area.*

Portions of the Common Area may be conveyed or subjected to a Security Interest by the Association only in accordance with CCIOA and this Declaration.

Section 11.7. *Designation of Common Area.*

Declarant in recording this Declaration has designated certain areas of land as Common Area intended for the common use and enjoyment of Owners for recreation and other related activities, as provided in this Declaration and other applicable documents. The Common Areas owned by the Association are not dedicated hereby for use by the general public.

Section 11.8. *Duty to Accept Property and Facilities Transferred by Declarant.*

The Association shall accept title to any Common Area, including Improvements thereon, as well as personal property, equipment, and easements, transferred to the Association by the Declarant, together with responsibility to perform all duties and functions of the Association which are set forth in this Declaration or otherwise assumed by the Association. As of the date of recording of this Declaration, interests which are planned to be transferred by the Declarant to the Association are planned to consist only of fee simple title to Common Area to be located in the property described on the attached Exhibits A, B and/or the Annexable Area and/or easements.

ARTICLE 12. GENERAL PROVISIONS

Section 12.1. *Enforcement.*

13.1.1 Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges and other provisions contained in this Declaration, the Articles of Incorporation, Bylaws, rules, regulations, standards and/or guidelines of the Association or the Architectural Review Committee, as supplemented and amended from time to time, may be by any proceeding at law or in equity against any Person(s) (including, without limitation, the Association) violating or attempting to violate any such provision. The Association and any aggrieved Owner shall have the right to institute, maintain and prosecute any such proceedings, and the Association shall further have the right to levy and collect fines for the violation of any provision of any of the aforesaid documents. Remedies for violation(s) of this Declaration, the Articles of Incorporation, Bylaws, rules, regulations, standards and/or guidelines of the Association or the Architectural Review Committee, shall be cumulative and no remedy shall be exclusive of other remedies that may be available. In any action instituted or maintained under this Section, the prevailing party shall be entitled to recover its costs and reasonable attorneys' fees incurred pursuant thereto, as well as any and all other sums awarded by the Court. Failure by the Association or any Owner to enforce any covenant, restriction or other

provision herein contained, or any other provision of any of the aforesaid documents, shall in no event be deemed a waiver of the right to do so thereafter.

12.1.2. Subject to the following sentence, the Association shall have the right to levy and collect fines (as provided in Article 4 of this Declaration (Assessments)) for the violation of any provision of any of the aforesaid documents. Prior to collection of any fines, the Association, the Board of Directors, or an authorized management company of the Association, shall mail a notice of violation to the Person(s) alleged to be in violation of any such provision and such notified Person(s) has a right to a hearing upon submission to the Board of Directors of a written request for hearing, which is properly signed by such Person(s) and dated, within ten (10) days after the notice of violation has been mailed or such other time as the Board of Directors may decide in its discretion from time to time; failure of a notified Person to request for hearing in writing within the required time period shall constitute a waiver of such right to a hearing.

Section 12.2. *Severability.*

All provisions of this Declaration, the Articles of Incorporation and Bylaws of the Association, are severable. Invalidation of any of the provisions of any such documents, by judgment, court order or otherwise, shall in no way affect or limit any other provisions which shall remain in full force and effect.

Section 12.3. *Conflict of Provisions.*

In case of any conflict between this Declaration and the Articles of Incorporation or Bylaws of the Association, this Declaration shall control. In case of any conflict between the Articles of Incorporation and the Bylaws of the Association, the Articles of Incorporation shall control.

Section 12.4. *Conflict with CCIOA.*

In the event that any of the terms or provisions of this Declaration are in conflict or inconsistent with CCIOA, the terms or provisions of CCIOA shall control and govern. In case of any such conflict or inconsistency, the applicable terms and provisions contained in this Declaration shall, to the extent possible, be construed in accordance with CCIOA, and any conflict with or violation of CCIOA by any terms or provisions of this Declaration shall not affect, void, or render unenforceable any other term or provision of this Declaration (which shall be in full force and effect in accordance with their terms).

Section 12.5. *Annexation; Withdrawal.*

12.5.1. Additional property may be annexed to this Declaration with the consent, at the time such annexation is to be effective, of Members casting sixty-seven percent (67%) of the Association votes and with the consent, at the time such annexation is to be effective, of the owner of the property to be annexed.

12.5.2. Notwithstanding the foregoing, the Declarant may annex to this Declaration the Annexable Area or any portion(s) thereof, until termination of this right as provided below, without consent of any other Owners, Security Interest Holders, or any other Person; however, such annexation is subject to a determination by HUD or VA (if the Declarant

desires to attempt to obtain HUD or VA approval of the property being annexed and if HUD or VA require such approval) that the annexation is in accord with the general plan approved by them and that the structures to be located thereon will be of comparable style, quality, size and cost to the existing Improvements. Each annexation shall be effected, if at all, by recording an Annexation of Additional Land in the Office of the Clerk and Recorder of the County in which the annexed property is located, which document:

12.5.2.1. shall provide for annexation to this Declaration of the property described in such Annexation of Additional Land;

12.5.2.2. shall identify the owner(s) of the Lots thereby created;

12.5.2.3. shall assign an identifying number to each new Lot;

12.5.2.4. shall describe any Common Area within the property being annexed;

12.5.2.5. shall reallocate the Allocated Interests; and

12.5.2.6. may include such other provisions as the Declarant deems appropriate. Other provisions that may be included in an Annexation of Additional Land include, without limitation, covenants, conditions, restrictions, requirements--and/or other provisions, in addition to or different from those contained elsewhere in this Declaration, that apply or will apply to some or all of the property that is thereby being annexed to this Declaration. Any of such other provisions referenced in this subsection may be amended with the consent of the Owners of sixty-seven percent (67%) of the Lots to which such other provisions apply.

12.5.3. The Declarant's right to annex the Annexable Area without approval, as provided in subsection 12.5.2 above, shall terminate automatically as provided in Section 1.22 of this Declaration.

12.5.4. Except as otherwise specifically stated in an Annexation of Additional Land, as provided in subsection 12.5.2.6 above, all provisions of this Declaration, including (as to Lots), but not limited to, those provisions regarding obligations to pay assessments to the Association and any right to cast votes as Members, shall apply to the annexed property immediately upon the effective date of the Annexation of Additional Land or other document of annexation (which shall constitute the date of recording of the Annexation of Additional Land or other annexation document, unless otherwise stated therein), unless and to the extent any provisions of this Declaration are, as to the annexed property or any portion thereof, changed or deleted by such Annexation of Additional Land.

12.5.5. Each Person who acquires any property within the Annexable Area after the date of recording hereof will have agreed, pursuant to applicable documents, that such property will be governed by this Declaration. The Declarant, therefore, reserves the right (but not the obligation), during the time period set forth in subsection 12.5.3 hereof, to annex such property to the Declaration without further authorization from the Person who

has purchased such property, even if such annexation occurs subsequent to conveyance of such property by Declarant.

12.5.6. The property which is described on the attached Exhibit A and each portion of the Community which is annexed to this Declaration as provided in the preceding subsections, shall be subject to a right of withdrawal by the Declarant. Such withdrawal may be accomplished, if at all, in accordance with CCIOA. However, the Declarant's right to withdraw such property and each such portion of the Community shall expire and terminate as to such property and each such portion of the Community upon the automatic termination of the Special Declarant Rights as provided in Section 1.22 of this Declaration.

Section 12.6. *Minor Violations of Setback Restrictions.*

If upon the erection of any structure, it is disclosed by survey that a minor violation or infringement of setback lines has occurred, such violation or infringement shall be deemed waived by the Owners of each Lot immediately adjoining the structure which is in violation of the setback, and such waiver shall be binding upon all other Owners. However, nothing contained in this Section shall prevent the prosecution of a suit for any other violation of the restrictions, covenants, or other provisions contained in this Declaration. A "minor violation," for the purpose of this Section, is a violation of not more than four (4) feet beyond the required setback lines or Lot lines. This provision shall apply only to the original structures and shall not be applicable to any alterations or repairs to, or replacements of, any of such structures.

Section 12.7. *Subdivision or Replatting of Lots.*

The Declarant hereby reserves the right to subdivide or replat any Lot(s) owned by the Declarant and each such subdivision or replatting may change the number of Lots in the Community. Without limiting the generality of the foregoing, the Declarant reserves the right to move any Lot line(s) on Lot(s) owned by the Declarant, for the purpose of accommodating Improvements which are constructed or are to be constructed. The rights provided for in this Section shall terminate automatically upon termination of the Special Declarant Rights, as provided in Section 1.22 of this Declaration.

Section 12.8. *Declarant's Use.*

Notwithstanding anything to the contrary contained in this Declaration, it shall be expressly permissible and proper for the Declarant, its employees, agents, and contractors, to perform such reasonable activities, and to maintain upon portions of the Lots and the Common Area such facilities as the Declarant deems appropriate, specifically including, without limiting the generality of the foregoing, maintaining signs, sales offices, management offices, model units and construction offices, in such numbers, of such sizes, and at such locations as the Declarant determines in its reasonable discretion from time to time. Nothing contained in this Declaration shall limit the rights of the Declarant to conduct all construction, sales, and marketing activities as the Declarant deems necessary or desirable and to use the easements provided in this Declaration for those and other purposes. Further, nothing contained in this Declaration shall limit the rights of the Declarant or require the Declarant to obtain approvals: (a) to excavate, cut, fill or grade any property or to construct, alter, demolish or replace any Improvements; (b) to use any Improvements on any property as sales offices, management offices, model units and/or construction offices in

connection with the development, construction or sale of any property; and/or (c) to require the Declarant to seek or obtain the approval of the Architectural Review Committee, the Board of Directors, or the Association for any such activity. Any real estate used as a sales office, management office, model unit, or for the location of a trailer used as a construction or sales office, shall be a Lot or Common Area, as such property is designated in the document(s) annexing such property to this Declaration. As permitted by Section 216(1) of CCIOA, the Declarant hereby reserves for itself and its guests an easement through the Common Area for access to, from, and incidental to the use of, any property now or hereafter used as sales offices, management offices, model units, or for the location of trailers used as construction or sales offices.

Section 12.9. *Duration, Revocation, and Amendment.*

12.9.1. Each and every provision of this Declaration shall run with and bind the land perpetually from the date of recording of this Declaration. Except as otherwise provided in this Declaration, this Declaration may be amended by the affirmative vote or agreement of Members holding at least sixty-seven percent (67%) of the Allocated Interests; provided, however, while Declarant owns any portion of the property described on the attached Exhibits A and D, no amendment may be made to this Declaration except with the affirmative vote or agreement of Members holding ninety percent (90%) of the Allocated Interests.

12.9.2. Every amendment, if any, to the Declaration must be done in compliance with CCIOA.

12.9.3. Notwithstanding anything to the contrary contained in this Declaration, the Declaration may be amended in whole or in part, at any time from time to time, by the Declarant without the consent or approval of any other Owner, any Security Interest Holder, or any other Person, in order to comply with the requirements, standards, or guidelines of any of the Agencies or of recognized secondary mortgage markets. Such right of amendment shall terminate automatically as provided in Section 1.22 of this Declaration.

12.9.4. Notwithstanding anything to the contrary contained in this Declaration, this Declaration, or any map or plat, may be amended in whole or in part, at any time from time to time, by the Declarant without the consent or approval of any other Owner, any Security Interest Holder, or any other Person, in order to correct clerical, typographical, or technical errors. Such right of amendment shall terminate automatically as provided in Section 1.22 of this Declaration.

12.9.5. Except as to amendments which may be made by the Declarant, amendments to this Declaration may be prepared, executed, recorded, and certified by any officer of the Association designated for that purpose or, in the absence of designation, by the president of the Association. Such certification shall, in the case of an amendment requiring the approval of Owners, certify that the Association has received the requisite approvals. Amendments to this Declaration which may be made by the Declarant pursuant to this Declaration or as permitted by CCIOA, may be signed by the Declarant and shall require no other signatory.

Section 12.10. *Registration of Mailing Address.*

Each Owner and each Security Interest Holder, insurer or guarantor of a Security Interest, shall register his mailing address with the Association, and except for annual statements and other routine notices, all other notices or demands intended to be served upon an Owner, or upon a Security Interest Holder, insurer or guarantor of a Security Interest, shall be sent by either registered or certified mail, postage prepaid, addressed in the name of such Person at such registered mailing address. However, if any Owner fails to notify the Association of a registered address, then any notice or demand may be delivered or sent, as aforesaid, to such Owner at the address of such Owner's Lot. All notices, demands, or other notices intended to be served upon the Board of Directors or the Association during the 75% Control Period shall be sent by registered or certified mail, postage prepaid, c/o KB Home Colorado Inc., 8401 East Belleview Avenue, Suite 200, Denver, Colorado 80237, unless such address is changed by the Association during the 75% Control Period; subsequent to expiration of the 75% Control Period, the Association shall notify the Owners of a different address for notices.

Section 12.11. *HUD or VA Approval.*

During the 75% Control Period, the following actions shall require the prior approval of HUD or VA if, at the time any such action is taken, HUD has insurance or VA has a guarantee(s) on one or more first Security Interests and HUD or VA require such approval: annexation of additional real property (if the Declarant desires to obtain HUD or VA approval of the property that is being annexed and HUD or VA require such approval); amendment of this Declaration, except as provided in Sections 12.9.3 and 12.9.4 hereof, termination of this Community; or merger or consolidation of the Association, except as provided in Section 3.14 of this Declaration.

Section 12.12. *Termination of Community.*

The Community may be terminated only in accordance with CCIOA.

Section 12.13. *Transfer of Special Declarant Rights.*

A Special Declarant Right created or reserved under this Declaration may be transferred only by an instrument evidencing the transfer recorded in every county in which any portion of the Community is located, and in accordance with CCIOA.

Section 12.14. *Eminent Domain.*

The taking by eminent domain of a Lot(s) or Common Area, or any portion thereof, shall be done in accordance with applicable law, including without limitation CCIOA.

Section 12.15. *Limitation on Liability.*

The Association, the Board of Directors, the Architectural Review Committee, the Declarant, and the officers, directors, members, partners, agents and employees of the same, shall not be liable to any Person for any action or for any failure to act unless the action or failure to act was not in good faith and was done or withheld with malice.

Section 12.16. *No Representations, Guaranties or Warranties.*

No representations, guaranties or warranties of any kind, express or implied, shall be deemed to have been given or made by Declarant, the Association, the Board of Directors, the Architectural Review Committee, or by any of their officers, directors, members, partners, agents or employees, in connection with any portion of the Community, or any Improvement, its or their physical condition, structural integrity, freedom from defects, zoning, compliance with applicable laws, fitness for intended use, or view, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, unless and except as shall be specifically set forth in writing.

Section 12.17. *Disclaimer Regarding Safety.*

DECLARANT, THE ASSOCIATION, THE BOARD OF DIRECTORS AND THE ARCHITECTURAL REVIEW COMMITTEE, AND THEIR OFFICERS, DIRECTORS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, HEREBY DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE COMMUNITY. BY ACCEPTING A DEED TO PROPERTY WITHIN THE COMMUNITY, EACH OWNER ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION, THE BOARD OF DIRECTORS AND THE ARCHITECTURAL REVIEW COMMITTEE, AND THEIR OFFICERS, DIRECTORS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, ARE ONLY OBLIGATED TO DO THOSE ACTS SPECIFICALLY ENUMERATED HEREIN, OR IN THE ARTICLES OF INCORPORATION, BYLAWS AND RULES AND REGULATIONS OF THE ASSOCIATION, AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE COMMUNITY.

Section 12.18. *Headings.*

The Article, Section and subsection headings in this Declaration are inserted for convenience of reference only, do not constitute a part of this Declaration, and in no way define, describe or limit the scope or intent of this Declaration or any of the provisions hereof.

Section 12.19. *Gender.*

Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular and the use of any gender shall be applicable to all genders.

Section 12.20. *Run with Land; Binding Upon Successors.*

The benefits, burdens and all other provisions contained in this Declaration shall be covenants running with and binding upon this Community and all real property and Improvements which are now or hereafter become a part thereof. The benefits, burdens and all other provisions contained in this Declaration shall be binding upon, and inure to the benefit of the Declarant, the Association and all Owners, and upon and to their respective heirs, personal representatives, successors and assigns.
