Help Us Collect New Toys For Teens

The Gift Of A Helping Hand Charitable Trust has been providing new toys for underprivileged children in southeastern Michigan for the last seven years.

We need your support to help us collect new toys for teens. Our program has been very successful in collecting new toys for children 12 and under, but we have been unsuccessful in receiving in-kind donations of new toys for teens.

So community leaders, local business, corporate, public and private foundations donate to our cause and help us provide new toys for underprivileged teens in southeastern Michigan.

Below is Toys For Teens Wish List. Help sponsor us and donate one or more of the items on the wish list below:
