

## **ELMWOOD NEIGHBORHOOD WATCH MEETING**

You are invited to attend a meeting to discuss the St. Louis Park Police Department Neighborhood Watch Program and learn about ways to keep your neighborhood and home safe. The purpose of a Neighborhood Watch is to ensure a commitment to neighborhood safety and promote positive communication and relationships among neighbors. We would like to spend some time educating you and your neighbors on the importance of home security and crime prevention.

Neighbors have expressed concern about a recent burglary in the Elmwood Neighborhood. This meeting is an opportunity to learn burglary and other crime prevention tips.
