Keeping Connected with Our Virtual Neighborhood

We have created an informal social network for our neighborhood using Ning. The purpose of this social network is to stay connected with our neighbors and improve our communication.

If you would like to sign up, please send an email to (fmacias@comcast.net) or (george_mcdonough@yahoo.com)

The site is private and only available to members of our neighborhood.

This is a great way to introduce yourself to other members, post comments in the Forum or share your favorite pictures.

We look forward to seeing you in Ning!

The Ning logo, which consists of the word 'Ning' in white text on a green rectangular background.

Can you tell us a Story?

CAN YOU TELL US A STORY?

Everyone loves a good story. And everyone has a story to tell. So we thought that in an upcoming issue of our newsletter, we'd make room for some of your own stories about our neighborhood.

Chances are just about all of you remember a neighborhood experience or event that stands out for you, that illustrates what living in our neighborhood is all about.

Please email your stories to Mishelle Macias at mishelle.macias@comcast.net

Featured Family

This quarter's featured family from Woodgate South is the Macias Family - Fernando, Mishelle, Michael and Lauren.

Fernando is a network engineer employed by Cisco Systems and Mishelle is a public health specialist working at the Colorado Department of Public Health and Environment.

Their children, Michael and Lauren can often be found playing outside with their neighbor friends or participating in Krav Maga, track or swimming.

Mishelle has participated in many triathlon events and Lauren has been seen riding her classic cruiser bike around the neighborhood.

When you get a chance, say hello to our featured family.

President's Corner by Gary Ryan

Springtime may finally be here! It is time to get the outside of our homes spruced up for spring and summer. A reminder that the exterior of your fence, if visible from a neighborhood street, must be stained by July 1, 2009, using the DP-315 color available at Lowe's or Home Depot.

If you received a letter from the HOA board regarding the paint condition of your home you have until June 1st to comply with the request to paint.

Many thanks to the McDonough's and the Luther's for organizing the Easter Egg hunt, and to all of the households who participated.

The lawsuit is currently in District Court under appeal. The Board will keep everyone up-to-date on the status.

The HOA Board is currently one member short, as Mary Bayer has resigned her position. We would love to have some "new blood" on the Board to join Lori Banks and me as the 3rd board member. It is an 18-month term. The new board member will be appointed at the next HOA meeting on Wednesday June 10th. I encourage everyone to attend the HOA meetings to express your concerns and hear what is going on in OUR neighborhood.

If you have any questions or comments, you can reach me at 303-680-6154, or stop me when I am walking.
