

NPO's, and Code Blue Coordinators,

*I have attached below a schedule for new member CERT training to begin on Monday, May 18th. I am requesting that you all disseminate this information to your Code Blue and Neighborhood groups in hopes of recruiting new members. Interested persons do not need to be Code Blue, they just need to live or work within the City of Fort Worth to attend. Interested parties may go to the new website, [www.fwcert.org](http://www.fwcert.org) to obtain more information and signup for the training at that time. All they need to do is click on new member training and then on Class #15, at the bottom of that page they will see a link to click and sign up for the training, and then all they need to do is show up on Monday, May 18th, where we will complete the application process, and begin class at 6pm. Should there be anyone who does not have internet access, they may contact me directly and I will sign them up and give them further instructions on class attendance. Any questions please feel free to call me.*

*Thank you for your assistance,*

*Monty Lambert  
Community Services Officer  
817-994-1460*

Each Class consists of 24 hours of training, spread out in 4 hour blocks over 6 days in a three to four week time frame. You may go to [www.fwcert.org](http://www.fwcert.org) to view each Class Schedule and sign up for the training. You must download the application, fill it out, and bring it to the first day of training.

All class participants must attend all training dates to complete the CERT course and graduate. The class size is limited to 35 persons due to classroom and safety restrictions. Available seating is on a first come first serve basis, according to the date your application is received.

Any questions please contact Officer Monty Lambert at 817-994-1460 or e-mail me at [Monty.lambert@fortworthgov.org](mailto:Monty.lambert@fortworthgov.org)
