

## Community Key Services Dialogue During FY 2010

### Four Step Process

- 1** Identify Service Area Dialogue Facilitators.
- 2** Facilitator will facilitate the 4 step process with other stakeholders.
- 3** All Service Area Facilitators meet once a week with City assigned facilitator to work toward developing consensus service plan and sustained funding model. Service areas elect delegates that would meet to build consensus on the plan to submit to Mayor & Council.
- 4** Plan is presented to Mayor and Council for action with outcome measures for success.

### Timeline

August 2009 - Process discussed and approved by Mayor and Council.  
September 2009 - Service Area Facilitators approved by Mayor and Council.  
September 09 - December 09  
 Service Area Dialogue and Consensus building.  
January - February 2010  
 Plan submitted to Mayor and Council for review and action.

*\*Will be coordinated by Assistant City Manager and include Director of Urban Planning and Design, Chief Deputy County Administrator assigned by Pima County Administrator, and other support staff for City of Tucson. Chief Deputy County Administrator will work with the City to identify any service consolidation or coordination opportunities between County and City.*
