South Central Neighborhood Association and the surrounding community are *considering* merging our efforts to *perhaps* form a larger Association with smaller associations within the organization. This can benefit all of us by providing more and/or better services, giving us a stronger voice in Metro Council, and will allow us to help ourselves and each other by sharing our efforts and skills. We are asking everyone to try to participate by doing the following:

- Please attend the upcoming neighborhood meetings. Your voice needs to be heard!
- Please take a few minutes to fill out this short survey and return by. All information is *confidential* and will only be used to create realistic programs and services. Drop surveys off at:
 - A. 729 Compton Street
 - B. Fax to 502-634-1860
- Please fill out the Data Base Information. If you choose, this portion can be cut away from the survey portion so
 your answers can remain anonymous. Your personal information will not be shared. But is important so we can
 develop a neighborhood communication data base. You can also e-mail your name, address, phone number and
 e-mail address to: scna@mail.org
