Subject: "No HOT Water" Ongoing issues with water

Dear Board of Directors;

Today is March 18th 2010, again and along with recently and ongoing for several years now we have had a problem with having NO "HOT" water at Building 130 EAST HIGHLINE CIRCLE

Note: No Hot water Jan 23rd 2009 @600AM

**Note: No Hot water Febuary 10th 2009

I call on the Board of Directors to seriously review TMMC's ability to conduct real property management here at Highline Meadows and use the current ongoing "HOT" water issue. 'HOT" water issue has been ongoing for years now with no resolution!

WE NEED A NEW BOILER OR A SOLUTION TO THE PROBLEM AT BUILDING 130

Sincerely,
Homeowner
