1st Annual Craft Fair

San Castle's First Annual Craft Fair was a great success! Over \$300 was raised to help our Scholarship Fund. There were almost a dozen craft vendors and almost as many Flea Market vendors. Many asked if we would be hosting a Craft Fair in the spring or summer. If you missed coming buy to shop put it on your calendar for next December. We will have our Second Annual Craft Fair and plan to make it bigger and better than this last one! Thank you for the support of those that came to sell and buy!

Holiday Decorations Winner

San Castle Community Leadership sponsored our house decorating contest. On December 23rd members Community Leadership Board drove down every street for a winner! It was wonderful to see so many homes decorated for the holidays! The competition was keen and tied between four homes! A winner was spotted! Mary Banks, a long time resident who has lived in her home for years was the winner hands down! Her home was decorated with a wonderful mixture of old and new. Rudolph, Mickey and the wise men all shared a space in the living room. Mary was grateful to receive the \$25 gift card for Winn Dixie and won! Great job, Mary! Go check out her house next year for the next contest!

Abandoned Houses

Do you know of an abandoned house in the neighborhood? Abandoned houses draw unwelcome visitors to our streets. Drug users and dealers as well as burglars often look for abandoned houses to use and stay in. Please help battle this problem. If you know of an abandoned house on your street please contact us at the newsletter. You do not have to leave your name. Call 588-0907 and give an address.

Precaution is better than cure.

Get Involved!

Are you interested in finding out what's going on in your community? Do you have suggestions that might improve or help our community? Do you have concerns over what might be happening within our community? Are you interested in improving the place you live? If you can answer any of these questions come join us at 1st Baptist Church of Hypoluxo the fourth Thursday of each month at 7 p.m. The only way to make a positive influence on the lives of our community and our neighbors, and ourselves is by getting involved. Come share your concerns, positive or negative feedback, with others in our community. **A small handful of people can not do it all. If you do not get involved, nothing is happening in the community you need to come be a part of the solution!**
