

Coalition for Peace of America

Organization Fact Sheet

Mission Statement

The Coalition for Peace of America is a national, youth-led and humanitarian organization dedicated to the abolishment of violence.

Statement of Purpose

Founded in 2004 as an incentive to abolish violence and build world peace, we hereby affirm our greater responsibilities:

- (a) To increase public awareness of the effects of violence;
- (b) To seek justice for crime and war victims;
- (c) To abolish violence from the eye's of society;
- (d) To improve America's communities by abolishing violence and strengthening programs.

To achieve these goals, the Coalition for Peace of America will partner with peace and community organization and the People for the purpose of world peace.

Core Values

- (a) Commitment to the Organization and passion for its vision, mission and goals
- (b) Open communications
- (c) Honest and caring dialogue
- (d) Listening with patience and attentiveness
- (e) Striving for excellence
- (f) Teamwork and cooperation
- (g) Responsible and Appreciative
- (h) Earth-friendly

Vision

Our vision is a world at peace, free of the violent acts of others and war.
