

Citizens for a Safer Florida, Inc  
P.O. Box 320091  
Tampa, FL 33679-2091

We invite you to join our organization.

We intend to direct our efforts to maintain safety in all sectors of Florida's society; make Florida a safe place to live, raise our children, and to work.

We are directly involved with issues regarding safety, including, but not limited to; children's safety, quiet use and enjoyment of our properties, animal safety, oversight on products sold and used in Florida that will cause unnecessary harm to Florida's environment and the health and welfare of all its citizens.\*

This past year we have been networking statewide to campaign against the illegal use of "Consumer Fireworks", close the loopholes, and work to strengthen the current FS 791 that will afford relief for those who have suffered unnecessary harm, and we are continuing these efforts in 2008.

We've hired a lobbyist for the Florida Legislative 2008 Session to make our concerns known, and to facilitate our collective efforts to educate, promote, advocate, lobby our Legislators, so that we will be afforded our rights to live safely, and be free from harmful products by being an effective force to ensure the safety of all Florida Citizens!

Our voices will be heard, IF we stand united! We need all concerned Florida citizens to be willing to support us!

Join us today!
