Copied below is the report the Nominating Committee made at the December meeting. In addition to this there was a nomination of Luther Brown for Vice Chairman made from the floor. As of today neither Linda nor I have received written confirmation of acceptance of this nomination from Luther. The by-laws state: "Signed acceptance of nomination and written qualifications will be required for nominations from the floor." This was specifically noted at the December meeting. Technically however, there were no written qualifications received for any of the nominees and this, I think, is partly a function of people knowing each other and partly a function of the transition LCON is in this year.
