

NAVY SEALs

**"It is not the critic who counts,
not the man who points out how
the strong man stumbled, or
where the doer of deeds could
have done better.**

**The credit belongs to the man
who is actually in the arena;
whose face is marred by the
dust and sweat and blood; who
strives valiantly;**

**who errs and comes short again
and again; who knows the
great enthusiasms, the great
devotions and spends himself in
a worthy course;**

**who at the best, knows in the
end the triumph of high
achievement, and who, at
worst, if he fails, at least fails
while daring greatly;**

**so that his place shall never be
with those cold and timid souls
who know neither victory or
defeat." THEODORE ROOSEVELT
(Paris Sorbonne, 1910)**
