

# Boy Scout Centennial Council Jamboree

May 21-22 , 2010

Bonelli Regional Park, San Dimas CA

***“The Armstrong Parachute Shelter”***

***Not exactly the Hilton Hotel!***

None of us knew where to start!

Where is the door?

The wind made it harder!

Okay guys, let's get serious!

We used almost all of the attached paracords!

Glad I bought a lot of stakes from Majors!

Notice commercial canopies in background? Ours got better comments!

Hey this IS Nice!

We are all set for the next day's activities when the Scouts arrive!

WE ARE "KILO SIX UNIFORM!"

This Jamboree hosted 6,000 Scouts on May 21 & 22, 2010.

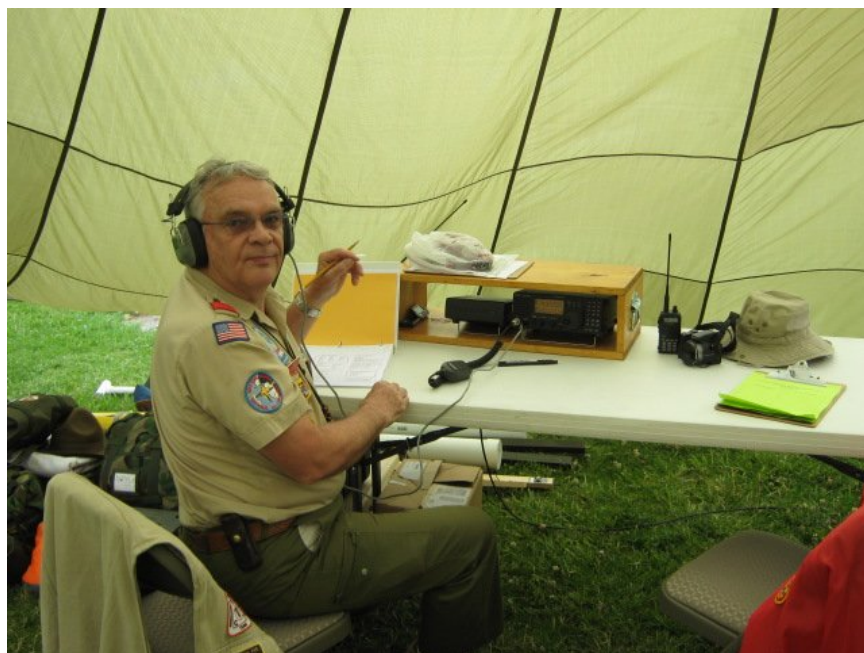

Cool, huh? Notice flagging we put on every paracord.

The Scouts are here! Almost 60 boys got on the air. Now let's see, 60 boys times 5 minutes on the air each equals 300 air minutes! 5 hours straight!

Joe Davenport, AE6VX a VIP Scout Official takes his turn at the mike talking to a station in Texas! Notice built in screen window.

Ray, W8LH worked the HF rig too.

And so did Smokey the Bear!

Scout in the red shirt is one of our GERC members!

William, KI6YBW is 12 year old!

73, Be sure to come to the GERC meeting on June 15 to see all of the photos from the Jamboree!
