Honorable Susan Golding, Mayor,  
The City of San Diego,  
202 'C' Street,  
San Diego, Ca 92101

Dear Mayor Golding:

While the City of San Diego works hard to improve our neighborhood (Project 606, replacement of water and waste water mains), we want to express to **you** our deepest appreciation for the excellent work that you have done pioneering such a comprehensive capital-improvement project. The Neighborhood Association and the residents of Fox Canyon feel privileged to have you as one of our most-dedicated partner in the continued efforts to improve our neighborhood.

ü With your proven leadership, Mayor Golding, we would be honored, if the issue of underground utilities and lighting were considered in the near future for the whole of Fox Canyon. As is our petition that you do.

Sincerely,
