

URGENT! CALL TO ARMS!

The Michigan Senate is considering a bill that would repeal the beach protections that we negotiated in 2007, and would re-define the term "wetland" in a way that includes your beach! Please write or call (or preferably both) your State Senator immediately and urge them to vote "No" on Senate Bill 785. Also please call or write (or both) Senate Majority Leader Michael Bishop ((517) 373-2417 and/or SenMBishop@senate.michigan.gov) and tell him you oppose Senate Bill 785 because it would harm our beaches!
