

This is getting worse and until we do something about it, and let these vandals know we are doing something, it will keep getting worse. Please call or send an email to our Association Manager Debbie Simonetti (951) 296-5640 dsimonetti@equitymgt.com to show support, report vandalism occurring, or be a part of the Neighborhood Watch program we are trying to start. We have to work together as a community to stop this and other vandalism.
