

**Call To Order:** 7:02 pm

Thank you for attending the picnic!

**Treasury Report:** - \$704.90 (before picnic expenses)

If you haven't paid this year, please do so now.

**Complaint:**

The cop that catches chases the guys who run the stop signs is going 60 mph to catch him. The implication is that he seems just as dangerous as the guy who runs the stop sign.

**Dean/Williams cleanup:**

- Scheduled for Saturday, August 7<sup>th</sup>. 9 am to 1 pm
- Hope for no rain on August 6<sup>th</sup> or 7<sup>th</sup>.

**Garage Sale:**

- 2<sup>nd</sup> Saturday in June 2011.
- Same time as Copper Creek.
- See if we can get Grey's Woods to so in with us and have a Hwy 163 garage sale.
- Details will be worked out and announced.

**Signage:**

- The city says the signs can't be blue because that's hospital.
- The city says the signs can't be green because that's GO (mile markers, directional)
- The city wants the signs to be basically white with some color.
- We will keep working on that.

**Parks report:**

- Parks planning department says they cannot upgrade a playground area that is not handicapped accessible.
- However, they don't like losing the sand that is put there. They want to know if they deliver the cement blocks, will we install them. We say YES!
- We have a port-o-potty for the summer. We need a base and a surround. (Thank you Jim's Johns.)
- We have a neighbor that has installed one before and said we need:
  - Base must be at least 3 inches thick.
  - Base must be 8 – 10 inches on each side of the port-o-potty.
- We might be able to get the surround from Copper Creek. They wanted to sell it, but that hasn't worked out so we offered to haul it away for scrap.
- Douglas Elementary is for sale (as well as a few others). We might be able to get playground equipment from there. They can't sell it separate from the building, but whoever buys the building might not want it and we could buy it from them. Purplewave.com has the details. Connie Ballard will check details.

Next meeting is in October at Four Mile recreation center. Elections will be held.
