From April to September, judging criteria will be based on well-manicured lawns, blooming flowers, trimmed trees, and all around landscape appeal. From October to November, judging criteria will be based on Halloween decorations (October), Fall/Thanksgiving decorations (November), and Christmas decorations (December), in addition to well-manicured lawns, blooming flowers, trimmed trees, and all around landscape appeal.

The winner of the Yard of the Month will be provided with a sign for display indicating their winning yard as well as photos in the newsletter and on the website.
