Citizen User Guide

Version 1

Track crime in your neighborhood with CrimeReports' interactive, easy-to-use maps. All the information on the map comes directly from your local police department so you can get the most accurate, official information available. As well, you can stay up-to-date on all crimes by signing up for free crime alerts, to keep your community safe through knowledge, personal vigilance, and neighborhood watch programs.

Sort

Sort crime in the list by type, date, or distance from the specified location.

Crime types

Filter crime types by clicking here and choosing which crimes to show on the map.

Areas

Click to see neighborhoods, zip codes, city council districts, and more.*

Sex offenders

Check the box to see sex offender residences, photos, and other details.

Email alerts

Click here to receive free email alerts when crime happens in your neighborhood.

Search box

Enter a city, zip code, or specific address and click Get Report.

Zoom

Zoom in and out.

Print

Print the current map view.

Views

Toggle between views, just like Google Maps.

Distance guide

Click here to see a distance guide from the location specified.

The screenshot shows the CrimeReports website interface. At the top, there's a navigation bar with links: Get Crime Alerts, Home, Crime Reports, and Analytics. Below this is a search bar with the text "Enter location" and a "Get Report" button. Examples of search input are provided: "655 Coleman Avenue, San Jose CA", "San Jose, CA", and "95110".

Below the search bar, there are filters for "Sort by" (Crime, Date, Distance), "Period (days)" (3, 7, 14, 30), "Calendar", "Crime Types", "Area", and a checkbox for "Show Sex Offenders". A "Print" button is also visible.

The main content area displays a map of San Jose, CA, with various crime markers. A callout box for an "ASSAULT" incident is shown, providing details: "17 May 2009", "1000 BLOCK S MAJOR ST", "Distance: 0.2 miles", and "Identifier: SL200986255".

On the left, a list of incidents is shown, including "PROPERTY CRIME" and "THEFT". Each entry includes the date, address, distance, identifier, and a brief description.

On the right, a "Crimes Legend" is displayed, listing various crime types with corresponding icons: Assault, Breaking & Entering, Homicide, Other, Proactive Policing, Quality of Life, Reg. Sex Offender, Robbery (Violent), Sex Offense, Theft, Traffic, Theft from Vehicle, Vehicle Recovery, Theft of Vehicle, and Property Crime.

At the bottom, there's a "Distance Guide" link and a "Print" button.

Incidents

Here, you can see the details of incidents on the map, including crime type, date, location, and more.

Time/date

Choose a preset number of days, or choose a date range by clicking the calendar.

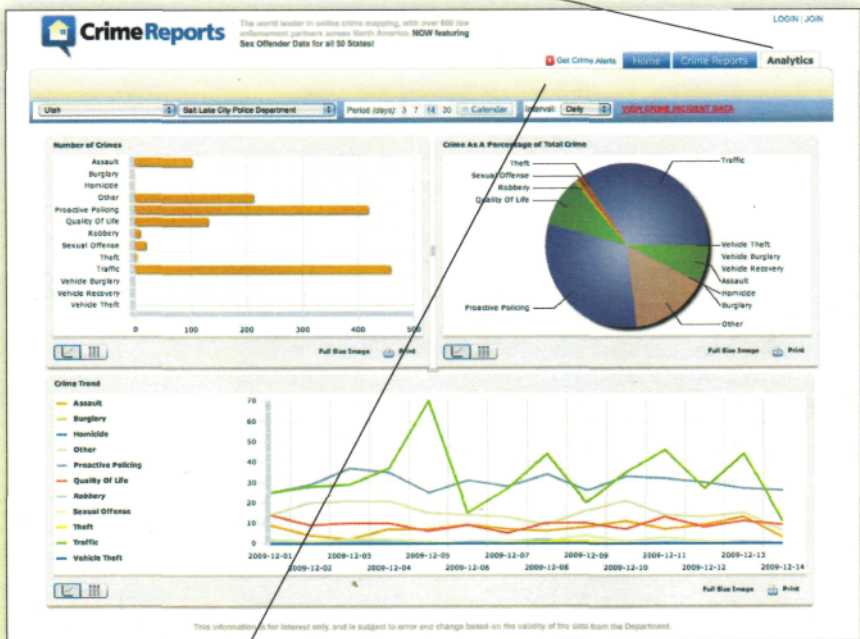

Marker

Click an incident marker to see more details about the crime.

Legend

Hover the mouse here, to see the legend.

Extend your understanding of local crime with the analytics view. With these printable, interactive charts and graphs you can track total crime over time and by percentage. Select a jurisdiction here, to get started.

Alerts

Click "Get Crime Alerts" to get started.

Stay informed about crime in your neighborhood with CrimeReports' free email crime alerts. You can receive email alerts for a number of different addresses and choose the types of crimes you are most concerned about. You even control when you receive alerts: daily, monthly, or weekly.

The screenshot shows the 'Create An Email Alert' form, which is divided into three steps:

- STEP 1: Name Your Alert Location:** Includes fields for 'Alert Location Name', 'Street Address', 'City', 'State/Province' (a dropdown menu), and 'Zip/Postal Code'. There is a checkbox for 'Use my Default Map location when not specified'.
- STEP 2: Choose Your Alert Preferences:** Includes a section for 'Select the Incident Types you prefer to be alerted on' with checkboxes for Assault, Burglary, Carjacking, Domestic Violence, Rape, Robbery, Sexual Offense, Traffic, Vehicle Theft, and Other. There are also checkboxes for 'Send me alerts for all crimes in this area' and 'Send me alerts for all crimes in this area'. A 'Verify Alert Location' button is present.
- STEP 3: Choose Your Alert Frequency:** Includes a section for 'Select the frequency you prefer to be alerted on' with checkboxes for Daily, Weekly, and Monthly. There is a 'Verify Alert Location' button.

At the bottom, there is a 'Remember Me' checkbox and a 'Log Out' button.
