Prayer for August

John Whittredge Hill, Chaplain

To God our Creator and Sustainer, we praise You and thank You. As I sit and look out my window, through the pine trees, onto the beautiful, crystal clear Lake Winnepesaukee. I appreciate anew the creation of all things established many eons ago.

At night I look up at the star-studded sky and see the “Big Dipper” whose pouring edge points to the North Star - the star that sits right over the steeple of a white church in Wolfeboro. In Florida the many city lights prevent good vision of stars; but they are there as You placed them whether we can see them or not. Gracious God, help us to be thankful for the big things as well as all the little things of Your creation.

We bless and thank you always. Amen.

“It doesn’t matter if a million people tell you what you can’t do, or if ten million tell you no. If you get one yes from God that’s all you need.” ~ Tyler Perry

From the Editor

Mary Bickhart

Dear Residents,

Thank you for all the support and wonderful comments that I have received over the years.

You made it clear that you really enjoyed my easy style of writing and the pictures that I began to include in our issues. I was pleased to joyfully serve you. I regret that the present Executive Committee has decided (in my opinion) to once again punish and embarrass me for defending my family and my rights against attacks by removing me as Editor. I would like to thank my husband, Vince, for his muscle and dedication to counting, stuffing fliers and delivering to the next tier of volunteers. To all those people who submitted ideas and articles, your work was truly appreciated. To Nora Adell Andrews, who was spot on with every monthly Calendar, words cannot express how much I loved being partners in laughter with you. I truly love you. To Nancy Hubartt, who is a master of names, thank you for keeping me accurate and for being so diligent as our Sunshine Lady.

I have included two pieces of literature that I discovered in High School and by which I have lived my life. I hope you enjoy them. Invictus and First They Came. The third piece The Blue Rose was sent to me recently by a Mercy Sister with whom I have been a friend since first grade.

Sincerely,
Mary

“First They Came ...” is a famous statement attributed to Pastor Martin Niemoller (1892 - 1984) about the inactivity of German intellectuals following the Nazi rise to power and the purging of their chosen targets, group after group.

“THEY CAME FIRST for the Communists,
and I didn’t speak up because I wasn’t a Communist.

THEN THEY CAME for the trade unionists,
and I didn’t speak up because I wasn’t a trade unionist.

THEN THEY CAME for the Jews,
and I didn't speak up because I wasn't a Jew.

THEN THEY CAME for me
and by that time no one was left to speak up."

Invictus

Out of the night that covers me,
Black as the Pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.

Beyond this place of wrath and tears
Looms but the Horror of the shade,
And yet the menace of the years
Finds, and shall find, me unafraid.

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody, but unbowed.

It matters not how strait the gate,
How charged with punishments the scroll.
I am the master of my fate:
I am the captain of my soul.

—William Ernest Henley (1849-1903)

Blue Rose

Sisters of Mercy

Having four visiting family members, my wife was very busy, so I offered to go to the store for her to get some needed items, which included light bulbs, paper towels, trash bags, detergent, and Clorox. So off I went. I scurried around the store, gathered up my goodies, and headed for the checkout counter, only to be blocked in the narrow aisle by a young man who appeared to be about sixteen-years-old. I wasn't in a hurry, so I patiently waited for the boy to realize that I was there. This was when he waved his hands excitedly in the air and declared in a loud voice, "Mommy, I'm over here." It was obvious now, he was mentally challenged, and also startled as he turned and saw me standing so close to him, waiting to squeeze by. His eyes widened and surprise exploded on his face as I said, "Hey Buddy, what's your name?"

"My name is Denny and I'm shopping with my mother," he responded proudly. "Wow," I said, "that's a cool name; I wish my name was Denny, but my name is Steve." Steve like Stevearino", he asked.

....continued on page 10

"Yes," I answered. "How old are you Denny?"

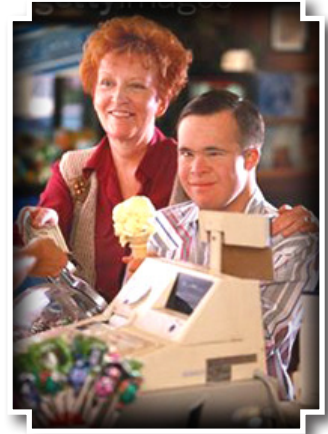

"How old am I now, Mommy?" he asked his mother as she slowly came over from the next aisle. "You're fifteen-years-old Denny; now be a good boy and let the man pass by." I acknowledged her and continued to talk to Denny for several more minutes about summer, bicycles, and school. I watched his brown eyes dance with excitement because he was the center of someone's attention. He then abruptly turned and headed toward the toy section.

Denny's mom had a puzzled look on her face and thanked me for taking the time to talk with her son. She told me that most people wouldn't even look at him, much less talk to him. I told her that it was my pleasure and then I said something I have no idea where it came from, other than by the prompting of the Holy Spirit. I told her that there are plenty of red, yellow, and pink roses in God's Garden; however, "Blue Roses" are very rare and should be appreciated for their beauty and distinctiveness. You see, Denny is a Blue Rose and if someone doesn't stop and smell that rose with their heart and touch that rose with their kindness, then they've missed a blessing from God. She was silent for a second, then with a tear in her eye she asked, "Who are you?"

Without thinking I said, "Oh, I'm probably just a dandelion but I sure love living in God's garden."

She reached out, squeezed my hand, and said, "God bless you!" and then I had tears in my eyes.

May I suggest that the next time you see a BLUE ROSE, don't turn your head and walk off. Take the time to smile and say Hello. Why? Because, by the grace of GOD, this mother or father could be you. This could be your child, grandchild, niece, or nephew. What a difference a moment can mean to that person or their family. From an old dandelion.

From Your Calendar Girl

Nora Adell Andrews

For many, many years, I have had the pleasure of making sure that each and everyone had a scheduled time in which to enjoy his or her activities. At this time, I choose not to continue managing our Calendar. I would like to thank all the clubs and the people who ran activities for being diligent and adhering to our Cove standards. **Thank you for allowing me to serve you.**

Sincerely, Nora Adell

Thank You

Adele Seaman would like to thank everyone for their good wishes, dinners prepared, and the many visits to my home to see how I was doing after my total knee surgery.

I especially want to thank Joan, Becky, Rita and Ruth for walking my dog, Shelby. Without all your help I wouldn't have made it through this painful time.

How great to live in such a wonderful place!

In Appreciation

Iwould like to express my gratitude to all my friends and neighbors who so generously kept my spirits high during my hip replacement surgery and my rehab days. The calls, the cards and the gifts sustained me during my recovery. I appreciate all that you did. Thank You, Lucille Osfer

Very Grateful

Kim Nemi wants to say "Thank you" to all the people who helped her celebrate her 50th birthday. All my friends seemed to know that I like purple, monkeys and pennies. It was a treat to see all my favorite things. I also was happy that my Mom was there to spend time with us. The cards were beautiful and I had fun opening them and all my presents. I am very grateful for all my friends and family. Love, Kim

Safe Food

Mary Bickhart

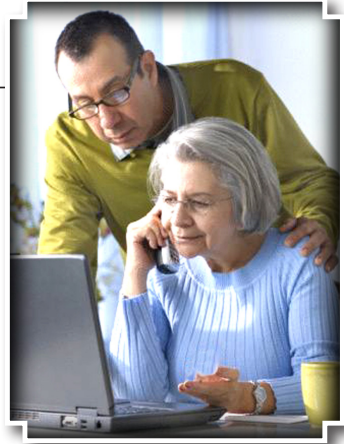

I'm afraid that I can't take credit for this one. That goes to Brian and Jack Deatherage. When leaving for a while, freeze some water in a cup or container. After it is frozen solid, place a couple of pennies on top. When you return, if the pennies have sunk in, you know the freezer had been off for awhile and your food may be unsafe. Great idea!

Do You Know Someone in These Parks?

Monthly Media is looking for new parks to add to our growing family of communities. Some of the parks we would like to add are: **Bay Aristocrat, Bay's End, Gull Aire, Honeymoon, Isle of Palms, Lowe's City, Harbor Lights, Village Green and Westwind I.** If you know someone in another Manufactured Home community, tell them about us. If they come to us for printing of their monthly newsletter, you will receive a one time payment of \$1.00 for every lot in that park. **EXAMPLE: If you send us a park with 350 units, you will receive a check for \$350.00!**

The referred community must give us your name as the first source of referral. • Parks of 200 units or more are preferred • Pinellas County parks only • Only adult parks are accepted • If more than one referral name is given the earliest name given to us by the park will receive payment.

You can never get enough of what you don't need to make you happy.

Old Goats

Groups of Americans were traveling by tour bus through Holland. As they stopped at a cheese farm, a young guide led them through the process of cheese making, explaining that goat's milk was used. She showed the group a lovely hillside where many goats were grazing. These, she explained, are the older goats put out to pasture when they no longer produce. She then asked, "What do you do in America with your old goats?"

A spry old gentleman answered, "They send us on bus tours!!"

You're Invited - Open House at the Chase's

Betty and Jim Chase

On Saturday, **September 25**, beginning at 5:00 p.m., **ALL RESIDENTS** of the park are invited to dinner at the Chase's (7216 Mt. Georgetown Drive). We "pack 'em in ... the more the merrier."

We furnish all the food. Just bring your own drink. It's a good way to say goodbye to a very HOT summer and welcome to some cooler weather. Hopefully, many of our neighbors will be back for the season. See you all at our house!

Oxymoron: Why do we park on a driveway and drive on a Parkway?

ACA and Old Timer Luncheon Meetings

Betty Chase

Like a bad penny, I shall return. Duty Calls! I don't want to see the luncheons in trouble. I have decided to plan, shop and cook but I will need about four people to assist from 11:30 a.m. to 1:00 p.m. to plate up and clean up. There will be a sign-up sheet on the Board and hopefully we can work out this situation. It really is no "biggie." It is a fun time in the kitchen and you will enjoy the satisfaction of a job well done!

Feeling Stuck? Write A Letter To Yourself

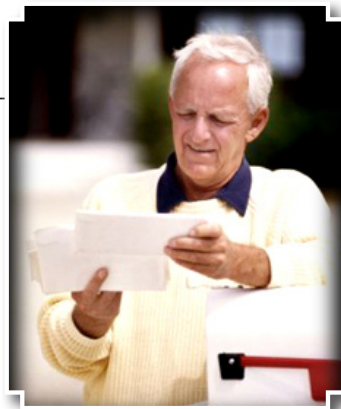

Do you feel like you're not really making any progress on your goals? Try this: Write a letter to yourself.

In the letter envision what you would like to accomplish in one year's time. Let your mind create the situation as if it has already happened. Make sure you write about where you are in relation to the dreams you have for yourself.

Seal the letter, and give it to someone you trust completely. Ask that person to mail the letter back to you in one year's time. Measure how much progress you've really made to realize your dream.

Many people who try this exercise find that they have moved significantly from where they were a year prior and are making steady progress toward their goals. *(Provided*

ACA News

Paul Line

Hi Americana Covers! It's hot in the Cove and it's hot, hot way up here in Canada. I love it!! But Sue wishes it were about 10 degrees cooler. Anyways, enjoy it while it lasts, as those winds of autumn and winter will be blowing soon enough.

There are lots of things going on in the Cove ... new road resurfacing, new stage lighting, new electrical panels in the Clubhouse, bulletin boards in the Clubhouse all painted and finally a new roll around platform for the Clavinova. Claire will be so happy. The new Tiki Bar should be in and the new fencing around the pool ... just in time for all you northern Covers to enjoy when you get back.

Starting in October, Betty Chase will be handling our ACA lunches and the Old Timers luncheons as well. I am sure she will keep up the healthy and delicious meals we have become accustomed to. Volunteer helpers will still be needed, so if you have an hour or so to spare, please lend a hand. All the Clubs can relax as the Kitchen Lady is back!

Dot Nemi is still recovering, so we are looking for a Treasurer for ACA. You must live in the park for most of the year and be able to use a computer. It's not that difficult and we have lots of fun and of course the wages are just GREAT!! If you are interested

....continued on page 20

or know of someone who would be, please call me at **1-800-898-4272** or speak to Gail Jones. If you see Dick Nemi, give him a hug and tell him all our prayers are with him.

I wish to extend my thanks to Mary Bickhart, our editor, for the wonderful job she has done with the Forecaster over the last few years. We wish her luck on her next endeavor whatever that may be. On the other hand, I believe we will also be looking for someone to take over the calendar insert since Nora Adell Andrews has resigned. If you are interested please call Dawn or Linda Lou. Many thanks Nora Adell for all your hard work over the years.

As you all start your southern voyage back to the Cove, please drive safely and God willing we will see you all in the fall.

Crafter's Club

Annette Solomon

Wow! What heat and humidity we have experienced this summer in Massachusetts! Even the cool sea breeze was missing. The warmest the ocean water was, was 68 degrees. Nice weather to stay indoors and work on hand crafts. The November Bazaar is fast approaching and new items are always needed. If you have made any things, don't forget to bring them down with you. Also, items for the Florida State Fair will be rounded up this fall.

We had some excitement at our home last week. Our gas grill was stolen! A neighbor on her 2nd floor porch watched and thought it looked suspicious, so she took a picture of them with her cell phone. You could read the number plate. The police were notified and they are on the search.

Great picture on the cover of the August forecaster! HAPPY CRAFTING.

We're on the MOVE to end Alzheimer's!

September 25, 2010 at the St. Petersburg Pier

With more than 5 million Americans living with Alzheimer's, and nearly 10 million more serving as caregivers, the time to act is now! Memory Walk is the nation's largest event to raise awareness and funds for Alzheimer care, support and research. All Memory Walk donations benefit the Alzheimer's Association, the leading voluntary health organization in Alzheimer care, support and research. The mission of the Alzheimer's Association is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

To participate in the Walk go to www.alz.org/flgulfcoast and click on Memory Walk. **American Cove resident and Alzheimer's employee, Erna Messenger** is on the Florida Gulf Coast Chapter's Team. Should you wish to donate **contact Erna** by calling 727-578-2558. If you are interested in services offered by the local chapter, please call the 24 hour helpline 800-272-3900.

Not The Brightest Bulb?

Looking for a new way to describe your less-than-brilliant friends and relatives? Try these slams:

- He's so uncoordinated, he once tripped over a cordless phone.
- She once spent a half-hour staring at an orange juice carton because it said "Concentrate."
- He'd ask for a price check at the Dollar Store.
- She spent all night studying for a blood test—and still failed.
- When he missed the 44 bus, he decided to take the 22 bus twice.
- She sold her car—for gas money. *(Provided by First Draft)*

Be sure to tell your doctor to advertise in your newsletter. Have them call **585-7388** or email at **month-lymedia@tampabay.rr.com** to get more information.
