Why Palmetto Beach Businesses Need You

It takes all of us to help Palmetto Beach businesses to build a solid, strong economic foundation in order to survive in tough economic times such as these.

This is why the Palmetto Beach Community Association, local businesses, and the University of South Florida have teamed up to bring you this directory.

Buy local! Help support your local businesses, local economy, and neighbors. It takes all of us to ensure the strength and financial vitality of Palmetto Beach.

Our History

Historic Palmetto Beach, established in 1867, is a diverse waterfront neighborhood that is rich in culture and history. "The Beach" grew up around four cigar factories, the electric street car, and DeSoto Park—one of the best public parks Tampa has to offer! DeSoto Elementary School is located across from DeSoto Park and is one of Tampa's first elementary schools.

While cigar production declined, the neighborhood maintained its ethnic character. Flanked by Ybor City, downtown Tampa, and McKay Bay, "The Beach" is a special place we call home.
