

City of Phoenix Police Department
Cactus Park Precinct (900)
Proposed Squad and Beat Boundaries (Modified 8-3-5)
SUMMER 2010

Squad Area	Percent of Precinct Workload	Number of Calls for Service CY 2009
91	35.5%	30,473
92	32.7%	29,311
93	31.8%	29,442

Workload is calculated based on a weighted formula that takes into account citizen generated calls for service, violent crime, property crime, arrests, traffic collisions, and population in an area.
