Attention All Neighborhood Watchers . . .

There are several new posts to the Neighborhood Watch section of our website at www.neighborhoodlink.com/Rembrandt/home. Just click **More...** in the **Pages & Links** section and look under **Neighborhood Watch**.

We awoke one morning last month to an old disgusting set of mattresses parked in front of a house on Breman after a party the previous night at a house on Bradford. Neighbors reported the Police had arrived after midnight to stop a fight and stop people from doing doughnuts around the mattresses on our neighborhood streets. The next morning there were many crushed beer cans and crushed cups littering the street. Thanks to the courteous homeowners that called the Police and prevented the situation from becoming worse. Neighborhood Watch is working!

Please talk with neighbors and encourage them to sign-up on the website, and ask them to send an email to RembrandtNeighbors@hotmail.com with their name and address in the message to help us reduce our HOA costs, join us in the battle to get things done in this community, and keep everyone informed of the latest announcements and efforts. There's strength in numbers!!

Also new on the website . . .

There's a cool new link on the website - <http://www.CrimeReports.com>. You can see all the crime reported for up to 6 months in any area. To see a report showing the crimes reported to the site over the last 6 months for our area, go to our website and click **More...** in the **Pages & Links** section and look under **Neighborhood Watch**. There's a link to the **CrimeReports** website under the **External Links** section. Check it out!

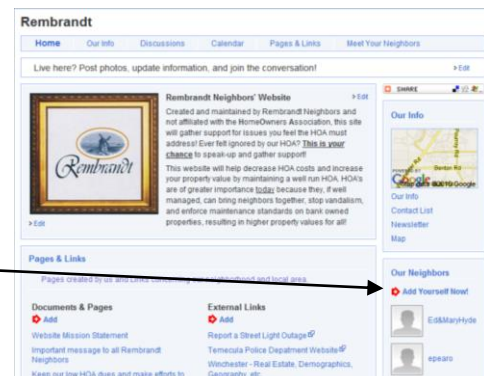

We've got new Neighborhood Watch signs!!!

The neighborhood watch signs are mounted and they look great. Debbie at the Association Management Company (Equity Management) graciously offered to have their maintenance guy hang the signs for us at no charge! She felt bad that her sign contact was not able to meet our deadline (again), so she stepped-up to make sure the signs got installed at no cost to us. Thanks again Debbie!

Thank You to all that voted . . .

Since we were 1 vote short for the last attempt to hold our BOD election to fill our available board seat, one of the board members visited a neighbor and got the last vote in. The rescheduled annual/election meeting will be on Oct 5th at 4:30pm at the Equity Management offices.
