

SAR CITY 2010

SAR CITY is the largest search and rescue school on the West Coast. The purpose of SAR CITY is to bring rescue, fire, medical and law enforcement personnel together and offer them a weekend full of excellent training, new ideas and information at Barstow Community College. SARCity is put on by the Barstow Desert Rescue Squad, in conjunction with the San Bernardino County Sheriff, OES, Barstow College and the over 100 instructors who volunteer their time and expertise. Over fifty classes are offered, some last an hour, others can go the whole weekend. This year's SAR City is October 8, 9, and 10, 2010.

Scott Armstrong, KF6RPA a frequent participant at GERC meetings, has been an instructor at this event for many years. Scott says: "I teach desert survival Fri. 8-10 and sometime on Sat. I teach a 2hr Basic Survival class and after that I get to enjoy the other classes. For me it is a very fun weekend." Take care, Scott
